NUMBER 16

Bad debts for 1987 total over \$17,000 for Water & Electric Board

The Elba Water and Electric Board met Tuesday, Oct. 13, at 5 p.m. Members Jack Prescott and Gladys Yelverton were absent. Board members heard a complaint about high electric bills and promised to check the meter for the customer and report back to the board. Bills totaling \$11,558.69 were approved for payment.

Cancer-causing PCB's in electrical capacitors was the subject of a report by Ed Compton of the electric department. He noted that federal regulations required all such units be removed by mid-1988 and Elba still has seven banks of these in use. He estimated the cost to replace and dispose of these at between \$21 and \$22 thousand.

Compton also reported to the board that the upgrading of the power lines in 1986 had resulting in savings of about \$18,000 this year. He explained that penalties that normally would have exceeded \$18,000 were only \$900 last year. These penalties are charges that bring utility bills up to 75 percent of the highest period during the year. In low use times this can result in surcharges if the peak uses are not controlled.

The financial report of the utility recorded a power bill of \$175,033.50 for the past month. Late bills listed were for \$5362.44 with 38 pulled meters on this list, of which ten were people who had moved and were awaiting final bills.

The utility is holding ten bad checks and two of these have been turned over to the courts for collection.

Bad debt losses for the year total \$17,831.83. The utility pays the power bills listed above plus other operating expenses of \$45 to \$50 thousand and monthly bond payments of \$9189.66, furnishes all electric service and water to the city-owned and operated buildings, street lights and ball parks. This figure is in excess of \$73,000 a year. Operations of the water wells is figured at \$41,000 for the electricity alone; the City of Elba is given \$10,000 a month and the balance of the income is used for capital improvements and maintenance of the sewer system which is at \$68,794 for last year alone.

The utility handled almost \$3 million in the past fiscal year. While the transfer to the city last year was \$10,000 a month, it will have to increase to about \$15,000 during this year. If the city budget is to be balanced, the city approved a budget that includes this increase which has yet to be approved, or even discussed by the utility board.

Cattle industry to be featured during Farm City Week

The annual Farm-City Week activities are scheduled for Nov. 19-26. Tom Casaday, this year's chairman, met with members of the committee last Friday morning to discuss plans for the pre-Thanksgiving week.

It was noted that last year consumers spent \$312 billion in U.S. farm-produced foods. After it left the farm, the more than 400 million tons of food consumed was assembled, inspected, graded, stored, processed, packaged, wholesaled and retailed. This part of the food marketing system cost the consumer \$214 billion of the \$312 billion.

Total agricultural production is more than twice the level of 1930, even though the agricultural resource base has not substantially changed. Today, one hour of farm labor produces 16 times as much food and other crops as it did in the 1919-1921 period.

To bring about a greater understanding of the farm-city situation, the Farm-City Committee is arranging a number of activities to bring these two elements together. These include a number of tours, presentation of a number of awards, speakers at civic clubs and other activities.

A new activity has been added this year. A tour of several facilities

at Ft. Rucker is being arranged so that local farmers and businessmen may tour the Aviation Center and learn more about the economic boom to the Wiregrass area.

It is anticipated that during the tour, visits will be made to the Aviation Museum and several sites of aviator training activity. Also scheduled is a noon meal at one of the troop mess halls.

The county cattle industry was selected as the farm industry to be spotlighted this year, and it was pointed out that last year American consumers ate an average of 152 pounds (retail weight) of beef, veal, pork, lamb and mutton.

The annual trip to the Moates farm is scheduled for Nov. 24 with the Special Ed classes arriving at 9:15 and the Training Center classes at 10 a.m. These classes will witness the handling and care of farm animals and get to pet some of them.

The annual Farm Bureau dinner is planned for Nov. 23 at the Farm Center Community Room in New Brockton, and the dinner will feature steaks.

Winner of the Farm of Distinction will be announced and 4-H awards made.

Farm Cooperators and Young Farmers will hold their annual dinner on Nov. 24.

A TWO-CAR ACCIDENT Monday morning at the intersection of Court and Simmons Streets caused damage to both cars and a hurt on the head of a child. A car driven by Terri Funder collided with one driven by Myrna Cowen. The rescue squad responded, but it was

decided that Mrs. Cowen would take her son to the doctor for examination. Friends took the younger child to school while the drivers completed the police report and Mrs. Cowen took her older son to the doctor.

UNREEL THE HOSE . . . Members of Elba's Volunteer Fire Department rush to the staged accident site to begin a practice rescue mission. The volunteers participated in

the first of a series of practice drills that are planned with Ft. Rucker's Safety Office. [U.S. Army photo by Spec. 4 Vicki W. Hudson]

Elba firefighters praised for action at simulated crash of helicopter

By: Spec. 4 Vicki W. Hudson

At 5:50 p.m. Oct. 8 (Thursday), the Elba Volunteer Fire Dept. responded to an emergency call reporting a UH-60 helicopter down near the Municipal Airport.

Approximately 20 volunteer firefighters on three emergency vehicles arrived on the scene in eight minutes, and began the necessary rescue procedures to evacuate the victims of the aircraft.

"The guys did an outstanding job," said John Langhammer, air safety specialist at the Ft. Rucker Safety Office.

"The first thing is to check the crew members, then take care of the aircraft. The timing was really good

and the response to this alarm was quick and accurate, just as the people of Elba have always responded during an emergency," said Langhammer.

However, there was no aircraft down. There was not a crash, nor any victims to rescue. But there was an alarm, and the volunteers did respond.

According to Langhammer, "We staged the helicopter crash practice with the Elba Volunteer Fire Department, rescue squad, and the police department responded to the accident very proficiently and professionally. We feel all other volunteers will be able to do the same, if they are informed," Langhammer added.

neighboring communities. Our plans are to stage situations similar to this. We hope to inform and train the firefighting and rescue personnel on various tactics and procedures to perform in the event of an actual aircraft accident," he continued.

"During March, 1986, a UH-60 crashed near the Elba Municipal Airport. The Elba Volunteer Fire Department, rescue squad, and the police department responded to the accident very proficiently and professionally. We feel all other volunteers will be able to do the same, if they are informed," Langhammer added.

City School Board approves \$3½ million budget

The Elba City Board of Education approved its budget for the 1987-88 school year recently, and although the budget is less than the budget of a year ago, Supt. of Education Billy Crews stated the budget contained "no frills" and contained little room for unexpected expenses.

"The budget is less than last year's because of the \$388,000 received last year for the capital outlay," reported Crews, "and when you balance things out the budget is actually just about the same. The carryover from the previous year was very small and this year's budget contains no leeway. It will be extremely close for us to stay within

the budget; however, we'll be conservative in our expenditures and will spend only when absolutely necessary."

In reviewing the budget, Supt. Crews explained that approximately 80 percent of the budget is teachers' salaries and the remaining 20 percent goes to transportation, maintenance, utilities, insurance and teacher supplies.

The budget approved for the coming year included a projected revenue of \$3,597,483.24, with estimated expenditures totaling \$3,565,764.40, leaving a small carryover of \$31,718.84.

"The small amount of revenue in excess of expenditures is less than we would like," stated Crews, "but the budget is tight and we'll just have to watch our pennies and stay within our budget. We know that when your schools have air conditioners almost 20 years old there will be constant repairs, but we've got a good budget to work with, and barring any major problems we should be okay."

A look at the detailed budget revealed that the \$3½ million in revenue is expected to come from state, federal and local sources, with the state's \$2,524,859 in revenue

being the largest. Federal funding is estimated at \$368,911.77, while local sources and other sources are expected to generate \$660,330. The local and other sources include county sales tax, county and district taxes, city contributions and food service income.

Projected expenditures listed included \$1,785,014.37 for instructional services, \$299,258.33 in instructional support services, \$220,458 in operation and maintenance, \$402,107 in auxiliary services and smaller amounts for various other services.

Elba General Hospital offering free health screening clinic

Have you ever thought you were sick, but didn't go to the doctor or hospital because of the high costs of medical tests? Well, the Elba General Hospital now has the answer to your problem!

In its continuing effort to meet the medical needs of Elba and the surrounding area the Elba General Hospital has started a "free" Health

Screening Clinic at the hospital's emergency room that will administer tests to determine possible medical problems and aid residents in the treatment of any illnesses.

"Many people go through unnecessary pain and mental anguish afraid to go to the doctor or hospital because they are afraid they

may be very ill and don't think they can afford to have proper testing done to find out just what really is wrong," stated Elba General Hospital Administrator Paul Grummer. "The problem may be minor and caused by an improper diet or a simple bacterial infection."

"We at Elba General care about all the residents of Elba and this area and have started a new free health testing service to help these residents find out just what may be wrong and help them return to good health."

The clinic, which offers its services at no charge, will test for such common health problems as blood sugar irregularities, high or low blood pressure, hearing problems, eye problems, head lice and problems caused by weight. The hospital staff will be glad to sit down with you and discuss your health problems and then suggest tests needed to identify any such medical problems, all at no charge to the public.

Anyone wishing more information should call Elba General Hospital at 897-2257.

BRAINSTORMS

By Ferrin Cox

We notice the City of Elba has "accepted" an additional \$5,000 monthly from the Water and Electric Board. Funny, we attend all the Water and Electric meetings and completely missed any action they took to approve such a transfer... or even discuss it. But then we ain't the only ones who missed it, because there is no reference to such a transfer in the official minutes of the board. We don't disagree with the transfer, but would like to see it done legally.

We understand that the cause of at least one of the recent fires has been determined. Unofficially we hear that a couple of youngsters set (or caused) the blaze accidentally and their parents have agreed to pay for the damages. There has been a little criticism of this but we are not doing it. We don't know the children involved nor how it happened, but accept the final decision. If it was an accident, punishment is out of line. If done on purpose but a one-time affair, nature will take its course and the embarrassment should be enough punishment for the youths. We just hope officials can put a stop to these other fires that ain't accidents.

If we didn't spend so much time trying to keep the wolf away from our door, we would be able to get in a little fishing, which we dearly love. However, the weight of paying the monthly bills gets heavier and heavier as time goes on, and our fishing gets lighter and lighter. But it is going to get better... next year.

We received two invitations to watch college football on the tube Saturday night, but were unable to accept either. When we flipped on our set at home to check on the progress of the game, the whole thing was rocking. Alabama was fast setting the pace in their defeat of Tennessee, and we suspect the parties we missed were rocking also. The one that promised us some grits and scrambled eggs probably ran completely out of eggs in the excitement! We know there is a lot more to life than football, but suspect it gives many of us that outlet for our built-up aggressions (or adds to them when our team loses). We have already forgotten the scores, but know that Alabama, Auburn, Florida State and Troy State all won. That cuts a rather large circle around us and we kinda claim some credit for the wins.

A New Jersey state court has ruled that a boy who wanted to play on a girls' volleyball team (or something like that) wasn't eligible even though there was no boys' team available for him. We don't understand why he wanted to do this in the first place, but actually it is discriminating because the same court says a girl can play on a boys' team if no such team is available for the girls. We are kinda old-fashioned and believe boys should be on the boys team and girls on the girls team, but have trouble understanding why one can cross over and the other can't do the same.

Daylight savings time ends this Saturday night (or Sunday morning). We still haven't gotten to the point of liking this changing back and forth each year, but will live with it. We realized this time was near several weeks ago when we walked out to get our morning paper, it was barely light and there was a feel of fall in the air. The air changed that same week, but not for long. We have been excited ever since that we are going to get that hour back we lost in the spring. Actually we will more than likely awake even earlier than usual, knowing the tricks our brain plays on us very often.

Heart Association To Meet Tuesday Night In Elba

The Elba Unit of the American Heart Association will meet Tuesday, Oct. 27, at 7 p.m. at The Peoples Bank for its regular meeting.

Plans will be finalized for the upcoming Turkeywalk, scheduled for Nov. 14.

SAECT Meeting Set For Troy Oct. 27

The annual meeting of South Alabama Electric Cooperative will be held Tuesday, Oct. 27, at the Pike County Fairgrounds, Highway 231 South in Troy.

Registration will begin at 12:00, with entertainment to begin at 12:30, with Ocean Opry from Panama City, Fla.

The Rader Family, a clean family entertainment group, will perform a live musical and comedy stage show.

Business of the cooperative will begin at 1:30 p.m., with main business to be the election of trustees. These will be elected from Districts 3, 4 and at-large.

Other business may be transacted that properly comes before the meeting.

Those to be nominated for trustees are:

District 3 - Leo Williams, Aubrey Mills
District 4 - T.R. Sims, Hubert Frazier
At-large - Jessie Salter, R.B. Bodiford Jr.

Max Davis, cooperative manager, encourages all members to attend. He says there will be door prizes for the first 650 members to register, and three cash prizes of \$50

each will be given for registration before 1:30 p.m.

An electric grill, electric range, 13" color TV and a VCR are among the prizes to be given away. Other prizes donated by local merchants and various companies doing business with the cooperative will be given away.

"The annual meeting is for all of the cooperative's members," said Davis. "It gives members an opportunity to take part in the business of their cooperative. We look forward to an afternoon of business and pleasure."

OBITUARIES

TEDIE THOMAS

Mrs. Tedie Thomas, age 67, of Elba, died Saturday, Oct. 10, 1987, at her home.

Funeral services were held Oct. 14 at 2 p.m. from Bethel A.M.E. Church, Elba, with Elder H.D. Williams officiating.

Burial followed in Shady Grove Cemetery with Coleman and Hammond directing.

Survivors include one daughter: Mrs. Amelia Carpenter, Elba; three

sons: Richard Thomas, Owens Thomas, both of Elba, and Leon Thomas, Enterprise; one son-in-law, Charles Carpenter; two daughters-in-law: Mrs. Murlean Thomas, Elba, Mrs. Betty Thomas, Enterprise; three sisters: Mrs. Annie L. Coleman and Mrs. Johnnie Yelverton, both of Elba; and Mrs. Emma Lee Foster, Detroit, Mich.; one brother: France Daniels, Elba; 22 grandchildren; two great-grandchildren; other relatives.

Haunted House To Open In Elba Oct. 23

A haunted house has been discovered in Elba by the Elba Jaycees. It has been found to have in it various non-human forms. Due to the extreme rarity of this phenomenon, viewing by the cowardly or squeamish is not advised. However, for a small admission, the adventure-some and brave may tour this house of horrors on these nights—Oct. 23 & 24 and Oct. 28-31 from 7 p.m. until

Proceeds will benefit area foster children, the underprivileged, and elderly during the Christmas season, as well as other Jaycee civic projects throughout the year.

Come if you dare!

The house is located behind the Riviera Motel in downtown Elba.

ELBA HOSPITAL REPORT

Persons admitted to Elba General Hospital during the period of October 13 - 19 include the following:

Leroy Davis, Bessie Bullard, Oscar Coleman, Julia Nelson, Cathan Knight, Barney Pruitt, Foy Flowers, William Chancellor, Derrian Brown, Ramona Parks.

Discharges during the same period of time include Ouida Jacobs, Katie Smith, John Harrison, Allie Henderson, Oscar Coleman, Earl Lee Kelly, Leroy Davis, Foy Flowers, Dallas Waldrop, Ramona Parks, Bessie Bullard.

Persons admitted to Elba General Hospital during the period of Oct. 7 through 19 include the following:

Margaret Binbo, William Williams, Ouida Jacobs, Katie Smith, Matilde Cauley, John L. Harrison, Allie Henderson, Mercer Brunson, Dallas Waldrop.

Those discharged during the same period of time include: Teresa Cawley, James H. Matthews, Myrtle Gilbert, Margaret Binbo, Matilde Cauley.

*90 DAY REFUND OR EXCHANGE OPTION DIRECT FROM DE.

Open: Mon. - Sat. 9 a.m. - 6 p.m.

When going to the doctor doesn't fit in your day.

It's probably safe to say that there's no such thing as a short trip to the doctor. Quality medical care just takes time. Unfortunately, not everybody has the time. Maybe it's just a job that can't be missed or a babysitter that can't be found.

That's why at Elba General Hospital we have created a new service called **Mednight**. It was created specifically for people who cannot seem to fit doctors into their lives.

Mednight provides primary and minor emergency care from 6 p.m. until 6 a.m., Monday through Thursday and 6 p.m. Friday until 6 a.m. Monday. **Mednight** is located in the emergency room of Elba General Hospital. **Mednight** is staffed by full-time physicians and medical personnel. There is no emergency room fee but there is a fixed fee for the physician visit for covered services, which is significantly less than an emergency room visit. No appointments are necessary.

At Elba General Hospital, we are taking every step we can to help patients receive medical care when they cannot get to their family doctor during the day.

We don't intend to take the place of your regular doctor. In fact, after each visit to **Mednight**, a report is sent to your family physician.

So the next time you find yourself needing a doctor, but needing more time, don't put it off. Meet us at **Mednight**.

Located in the emergency room of
Elba General Hospital

Miss Cox And Mr. Suplit Honored With Luncheon

Miss Brenda (Bunny) Cox, Montgomery, daughter of Mr. and Mrs. Walter W. Cox, and Mr. William L. Suplit, Montgomery, son of Mr. and Mrs. William Suplit, Waltham, Mass., were guests of honor recently at a luncheon at the Marriott Bay Point Hotel in Panama City, Fla.

Hostesses for the luncheon were Mrs. James Earl Mobley Sr., Abbeville; Mrs. George Clenny, Abbeville; Mrs. Charles Gordon Mobley Jr., Mrs. Larry Falkner, Headland, and Mrs. Henry Mobley, Pensacola, Fla.

Preceding the luncheon family members of the bride-elect gathered around the couple, making toasts.

The rose-colored tablecloths were draped with a print overlay reflecting the bride-elect's chosen colors. Flower arrangements on each table complemented the table covers.

The tiered, semi-circle buffet table was covered with softly gathered and draped skirts of white lace. In the center of the buffet table was a colored lighted fountain on a rose-colored pedestal, surrounded by greenery.

Refreshments consisted of cold peach soup in a silver bowl; exotic fruit, salads, trays of assorted meats and cheeses, dairy finger sandwiches, spicy wild rice, braised grouper fillet, broiled chicken breasts (arranged), followed by French Chocolate cake, baklava, strawberry pie and glazed fruit tarts.

The honored couple was presented a casserole in their informal china pattern.

For the occasion Miss Cox chose a blue and white printed dress with a white collar embroidered with blue flowers.

Miss Vinson Becomes Bride Of Mr. Pittman

Rebecca Ellen Vinson, daughter of Mr. and Mrs. Jack E. Vinson of Abbeville, became the bride of Wilton F. Pittman Jr., son of Mr. and Mrs. Wilton F. Pittman Sr., Jack, on Sept. 19, 1987.

The four o'clock double-ring afternoon ceremony at the Chester Chapel Baptist Church, Rt. 3, Abbeville, was officiated by the Rev. Jack Espy.

Candlelight enhanced the nuptial area, while ferns and seasonal flowers provided altar decorations. Family pews were marked with white bows centered with mauve mums.

Pianist was Miss Leigh Vickers, and traditional music was rendered, including "We've Only Just Begun" and "Ice Castles."

Wilton F. Pittman Sr. served his son as best man. Usher-groomsmen were Roger W. Hendrix, brother-in-law of the bride, of Gulf Shores, Ala., and Michael Ammons of Jack.

Maid of honor was Miss Kimberly Coleman, Abbeville, sister of the bride. She was dressed in a street-length mauve brocade satin dress, and carried a bouquet of mauve rosebuds and baby's breath, with white lace and satin ribbon streamers.

The bride was given in marriage by her parents.

Her dress was a tea-length ivory embroidered lace-over-satin gown, with puffed sleeves and sweetheart neckline. The double illusion shoulder-length veil fell from a halo of ivory satin flowers and seed pearls.

Her bouquet was a silk cascade centered with ruby-throated cymbidium orchid and ivory rosebuds, accented with baby's breath, ivory lace streamers, tied in mauve love knots with pearl loops.

Barry Brunson Honored With Handyman Party

Barry Brunson was honored with a Handyman Party on Oct. 17 at 7 p.m. under the pavilion at National Security Ins Co.'s recreation area.

Hosts for the occasion were Mr. and Mrs. F.W. Rainey Sr., Mr. and Mrs. Earl Peters and Mr. and Mrs. Doug Martin Sr.

Hurricane lamps holding red candles and surrounded by pine cones and greenery adorned the tables, which were covered in red-and-white checked cloths.

After a meal of fried catfish, baked beans, French fries and

Sharpless - Smith Engagement

James R. and Eve Sharpless wish to announce the engagement and forthcoming marriage of their daughter, Sherry Lee Sharpless to Mr. Jamon Smith, son of Mr. and Mrs. James A. Smith of Jack, Ala.

The bride-to-be is the granddaughter of the late J. Land Eva Sharpless, lifelong residents of Elba, and Mr. and Mrs. John B. Lucy of Jacksonville, Florida. Mr. Lucy is retired from the Navy and Mrs. Lucy is a retired school teacher.

Mr. Smith is the grandson of Annie Lois Turner and the late J.A. and Mary Martha Smith of Jack.

Miss Sharpless is a 1985 graduate of Elba High School, and both she and Mr. Smith are employed by Keenert's.

The wedding will be an event of October 31, at 1:00 p.m. at the Beaver Dam Primitive Baptist Church, located on Highway 189 between Elba and Brantley. A reception is to follow at the home of the bride's parents.

No invitations are being sent. All friends and relatives are invited to attend.

Birth

KENDALL REBECCA STINSON
Donnie and Nita Stinson announce the birth of a daughter on Oct. 16, 1987, at Flowers Hospital in Dothan.

The new arrival is Kendall Rebecca Stinson. She weighed 9 lbs. 1 oz.

Proud grandparents are Earl and Sue Stinson, and Fred and Edith Calhoun, all of Elba.

Harrisons Celebrate Silver Anniversary

The Rev. and Mrs. Thomas (Tommy) Harrison celebrated their 25th Wedding Anniversary by renewing their marriage vows August 9 in a 2 p.m. ceremony at Kinsey Baptist Church.

Following the ceremony, the couple was honored with a reception hosted by their children: Melinda Harrison of Kinsey and Tony and Keisha Harrison of Columbus, Ga. The Hostess Committee and members of Kinsey Baptist Church served at the cake, punch and gift tables.

The Harrisons were married Aug. 10, 1962, in Sulligent, Ala. They have served as minister to churches in South Alabama and Georgia. They are presently serving Kinsey Baptist Church.

Approximately 250 friends and relatives attended the special ceremony. The couple received many cards and gifts.

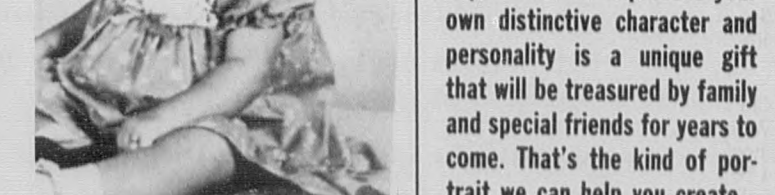

The Harrisons served New Ebenezer Baptist Church in the Curtis Community from 1970-73.

Birth

DALE PATRICK STINSON JR.
Dale and Sharon Stinson announce the birth of a son on Friday, Sept. 18, 1987, at the East Medical Center in Opelika.

He weighed 7 lbs. 1 oz. and will be called D.J.

Proud grandparents are Earl and Sue Stinson and Syble Cox of Elba, and Col. Edward Arnold of Germany.

BAMA META GATLIN
Bama Meta Gatlin
Is One Year Old

Bama Meta Gatlin celebrated her first birthday on Sept. 29. She is the daughter of Glenn and Gail Gatlin of Rt. 1, Jack.

She is the granddaughter of Ivey Grantham of Elba, and Erma Nell Gatlin and the late Pete Gatlin of Jack.

Meta enjoyed cake, refreshments and opening presents with her family.

Make It Special This Year

Take time to make your gifts really special this Christmas—give a portrait of yourself your senior year.

A portrait that expresses your own distinctive character and personality is a unique gift that will be treasured by family and special friends for years to come. That's the kind of portrait we can help you create.

This fine a gift should not be rushed, so make your appointment now to allow enough time to get the quality your portrait deserves.

HOME-MAKER NOTES

Angela G. Hughes
Associate County Agent

FAIR IS HERE

With the arrival of fall, cold weather means warm fires in wood stoves and fireplaces.

And while using wood stoves and fireplaces, it's important to practice safety.

Let's talk about three things that are important for the safe use of wood burning stoves and fireplaces.

Smoke detectors detect a house fire while its still smoldering. Install one or two if you don't already have one.

Mount a small fire extinguisher in plain view near an exit that would not be blocked by fire. Remember that big fires begin as small ones.

Empty ashes only into metal bucket or basket, preferably one with a lid, but never empty ashes into garbage. Ashes are some of the final products of combustion and these will need to be emptied.

CHILDREN AND LEARNING

During the past decade, more and more has been written about early learning for children. Many parents believe that the sooner they start their children in some type of formal education, the better off the children will be.

However, these parents may be fooling themselves and actually handicapping their children.

A survey conducted by World Book, Inc., found that children need to acquire certain skills before any formal educational experience will be useful. Where can they get these skills? From home. This same survey

found that the experts agreed that parental involvement in preschool is extremely important.

Keith Osborn of the University of Georgia, author of the survey, says parents must set the state for learning. For children to take full advantage of their education, parents need to instill in their children that learning is exciting, challenging, and can be much fun.

Thus, ability in school may depend on home attitudes toward school. Parents who denigrate school and learning are in effect telling their children that there's no value in education.

Parents who tell their children that learning is both fun and important are preparing them for future successes in the world of education and in the world.

The house is located behind the Riviera Motel in downtown Elba. Proceeds will benefit area foster children, the underprivileged and elderly during the Christmas season, as well as other Jaycee civic projects throughout the year.

Come if you dare!

Jaycees Haunted

House To Open

October 23

A Haunted House has been discovered in Elba by the Elba Jaycees. It has been found to have in it various non-human forms.

Due to the extreme rarity of this phenomenon, viewing by the cowardly or squeamish is not advised. However, for a small admission, the adventuresome and brave may tour this Home of Horrors on these nights - Oct. 23 and 24 and Oct. 28-31, from 7 p.m. until...

Spec. 4 John M Bowers Participates In Nato Operation

Army Spec. 4 John M. Bowers has participated in the NATO-sponsored exercise, Return of Forces to Germany '87 (REFORGER).

The exercise was designed to evaluate plans and support agreements between NATO member nations, to exercise West Germany's ability to support deploying forces and to test the ability of European-based units to quickly link reinforcing units with their pre-positioned equipment.

Bowers is the son of Buddy Bowers of Rural Route 5, Elba, Ala. He is a cavalry scout with the 1st Cavalry Division, Fort Hood, Texas. The specialist is a 1984 graduate of Elba High School.

Zion Chapel

4th Grade

4-H Report

By: Steve Hodge
4th Grade Zion Chapel, Reporter

Zion Chapel's 4th grade Boys Club, met Thursday, October 1. Mr. Wheeler Foshee presided over the meeting. Mr. Foshee reviewed the 4-H pledge, colors, and motto. The following officers were elected for the 1987-88 year:

President - Sam Moates; Vice, President - Timmy Smith; Secretary - Elliott Liprott; Song leaders - Joe Carley, Jonathan McGwaters; Devotional leader - Roger Marler; and Reporter - Steve Hodge.

Mr. Foshee passed out papers explaining the photography contest, which will be due during our November meeting.

The meeting was adjourned by Mr. Foshee until November 5, 1987.

Camille Marier - Editor

Zion Chapel's Fran Wallace Chosen As 1987-88 Miss Ft. Rucker Fire Prevention

By: Camille Marier
Fran Wallace, a junior at Zion Chapel High School, won the Miss Ft. Rucker Fire Prevention contest.

On Sept. 28, she went to Ft. Rucker to accept the honor, and after meeting some of the officers and taking pictures she was crowned and presented with a trophy and banner.

On Oct. 2, she appeared on WTVY's "Morning Show" and was

interviewed by Ann Varnum. Ms. Varnum asked what school she attended, her hobbies and what she had learned since winning the title. Fran visited Ft. Rucker Elementary School on Oct. 8. She spoke to the children about the dangers of fire and its prevention. The next day she attended an Army Community Service staff meeting and helped welcome new families to Ft. Rucker.

Fran won this same contest last year, but had to give up her title because her photographs were judged in the wrong age division by mistake and she was too young. She said, "I was really surprised. It's unusual to win something twice in a row."

Junior High Rebels Dump Goshen 22-0 For 1st Win Of Season

By: Jackie Parrish
The Zion Chapel Junior High Rebels claimed their first victory of the year over the Goshen Junior High Eagles. Tracy Woods scored late in the first quarter. Mark Hodges scored the two-point conversion, and the Rebels took an early 8-0 lead.

The defenses played tough in the second quarter as neither team scored. The Rebels settled for an 8-0 at the half.

Zion Chapel Players Are Awarded

By: Robbie Davis
Zion Chapel is awarding the hard workers on the football team this year by giving awards to the best game and best practice player each week. The awards are given every Friday at the afternoon pep rallies by head coach Tom Moates and the coaching staff.

Some of the players who have gone that extra step toward success

The Eagles fumbled early in the third quarter, and the Rebels took over on their own 40-yard line. Zion Chapel opened up a passing attack and drove down the field. Mark Hodges capped the drive with a 15-yard touchdown run, and Tracy Woods made the two-point conversion.

The Rebels scored again on a

10-yard run by Tracy Woods midway through the fourth quarter. The two-point conversion failed. The Rebel defense held off Goshen to

preserve the 22-0 shutout. Douglas Faulk led the Rebel defense with 10 tackles and Thomas Arnold had 7.

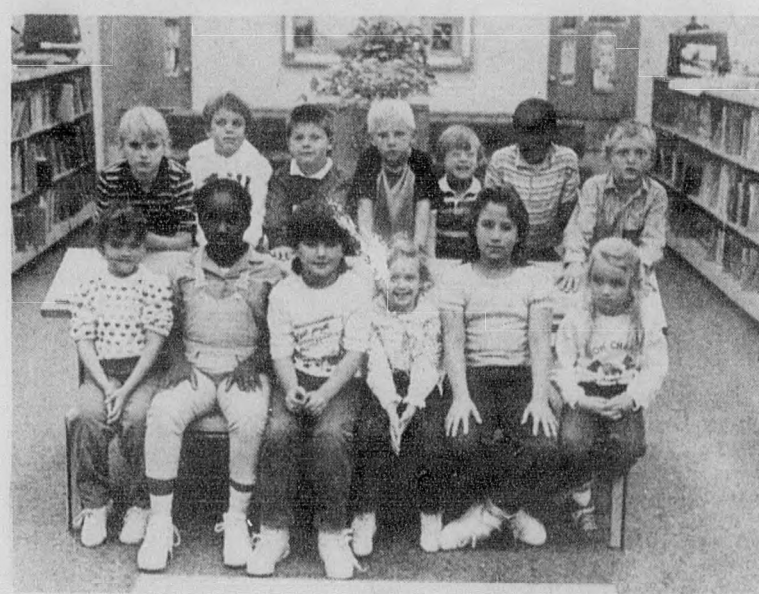

Halloween Carnival Set For Oct. 27

By: Todd Ruger
Zion Chapel's Halloween Carnival will be held Oct. 27, beginning at 5:30 p.m., in both the high school and elementary buildings.

Activities will include Go Fish, Poster Pitch, Tie-Tac-Toe, Jail, etc.

Concessions will be sold in the

lunchroom. The carnival will end at 7:30 with harvest king and queen activities beginning at 8 in the gym. Members of the planning committee are June Clark, Linda Burks and Janice Prescott.

FCA Holds First Meeting Recently

By: Lavonia Johnson
A devotional was presented by Coach Tom Moates to begin the first Fellowship of Christian Athletes (FCA) meeting of the year.

Coach Moates read some Scriptures appropriate for the goals of young people who are members of FCA.

The 1987-88 officers of the organization are Stacy Faison - president; Sandy Flowers - vice president; and Shann Cotton - secretary.

The FCA membership is composed of football players, cheerleaders, basketball players and

athletes for both sports.

FCA meets every Thursday afternoon after football practice.

ZC Students Attend Auburn-Vandy Game

By: Chris Moultrie
Zion Chapel was one of the many schools which had students attend the Auburn-Vanderbilt game as part

of a special recruitment day for Auburn University.

Football players, cheerleaders and some former Fellowship of Christian Athletes members were invited to attend.

The group left Zion Chapel at 6 a.m. in order to make the 11:30 kickoff. This left time for a quick stop at Anderson's Book Store for souvenir shopping.

The game was televised on NBC and at halftime the Tiger Band

saluted the network. The colorguard used different colored flags to

outline a peacock, NBC's logo.

Several bands from different high schools took part in a special salute to the American flag at halftime.

be beneficial to all elementary students.

A king and queen was chosen from each of the two kindergarten classes: Amy Collins and Justin Law from one, and Carmen Ziglar and Andy Howell from the other.

Sharon Downing and Matt Dunn were chosen from the first grade.

Second grade students were Mandy Ellis and Dale Hutchinson.

Jessica Davis and Shayne Allen will represent the third grade.

Fifth graders chose Kavonda Thrasher and Donnie Castberry.

The fourth and sixth grades will not be represented by a king or queen this year.

The money raised will be used by the Parent Teacher Organization (PTO) to buy physical education equipment and other items that will

be beneficial to all elementary students.

AREA VOCATION CENTER NEWS

HOSA OFFICERS ELECTED TO REPRESENT THE HEALTH OCCUPATIONS STUDENTS OF AMERICA (HOSA) CLUB at New the Coffee County Area Vocational Center in New Brocken are Paul Truitt - president; Kelly Ambuster - vice president; Angela Page - secretary;

Diane Andrews - treasurer; Stacie Phillips - reporter; Historian; Sharon Davis - vice president. HOSA is a local, state and national organization for students who are interested in preparing for a career in the health field.

The Future Business Leaders at Coffee County Area Vocational Center participated in the celebration of the Constitution's bicentennial on Sept. 15 by recognizing the system of free enterprise. Mr. Jay Porter, owner of Plain 'N' Fancy in Enterprise, spoke to the membership about the abundant opportunities provided by the Constitution. Following the patriotic presentation new officers were installed by the state FBLA District IV vice president Johnathan Hilton, who is also a member of the local AVC chapter in New Brocken. Pictured are Lyle Johnathan Hilton; Tanya Lee - president; Dwayne Bowman - vice president (New Brocken); Helen Baker - vice president (Zion Chapel); Tracey Island - secretary; Muriel Goosby - treasurer; Chrissy Hornsby - reporter; Angie Hutto - historian; and Kristy Kelley - parliamentarian.

IF THIS IS ALL YOU
THINK OF HEALTHCARE,

YOU'RE PROBABLY
TAKING THE LONG
ROAD TO RECOVERY.

Contrary to popular belief, all the quality healthcare resources aren't headquartered in Birmingham, Montgomery or Dothan. Like a lot of large hospitals, Edge Memorial doesn't open heart surgery or organ transplants, but Edge Memorial is probably all the hospital you will ever need. And it's close to home — near friends and family.

ANSWERS TO YOUR BIBLE QUESTIONS

Why do bad things happen to good people?

One can hardly read a newspaper, or hear a newscast, without being confronted with tragedy. This has led some to question the existence of God. They ask, "If God really is all powerful, and all loving, why does He allow so much pain and suffering in this world?" The world has no answer to the problem of suffering. Christianity offers an answer.
Genesis 1:27 tells us that God created man in His own image. Being made in the image of God, man has the free will to choose between right and wrong. Adam, and all men since Adam have chosen to sin, which has brought the consequences of sin to mankind. Much of the suffering we see today is a direct result of man's sin. The innocent often suffer because others have used their free will to sin. Sin is here because of man, not God.
Much of man's suffering can also be attributed to the presence of the enemy, Satan. In the parable of the wheat and the tares, Jesus explained the running of the field by the sowing of tares, saying, "An enemy hath done this" (Matt. 13:28). The work of Job demonstrates Satan's ruthlessness in his persecution of men, including righteous men, such as Job.
God hates sin. The Bible is filled with demonstrations of God's judgement on those who sin. Ananias and Sapphira were struck dead for lying to the Holy Spirit concerning their gifts to the church (Acts 5). God again and again called Israel to repentance, although it often refused to hear. Some of the suffering in the world today may be allowed by God as punishment.
God is a God of love. Man's real problem is not suffering, but sin. "For God so loved the world that he gave his only begotten Son that whosoever believeth in him should not perish, but have everlasting life" (John 3:16). We cannot say that God has done nothing about the problem, because he has done something, in sending Christ. Often, there is value in suffering. Paul asked the Lord three times to remove his "thorn in the flesh." The Lord's answer was, "My grace is sufficient for thee; for my strength is made perfect in weakness" (2 Cor. 12:9). Paul wrote, "tribulation worketh patience; and patience, experience; and experience, hope; and hope maketh not ashamed, because the love of God is shed abroad in our hearts" (Rom. 5:5). The key in suffering, is whether it makes us bitter, or better.
It must always be remembered, in facing suffering, that God Himself is the Great Sufferer, who gave His Son to die for wicked men. He feels our pain and suffering. In these things we cannot understand, we must trust Him because of the things we do understand.
c. 1986 by Bob Prichard, P.O. Box 269, Elba, AL 36323

To enroll in a free Bible Correspondence Course, or to ask a Bible question, write to Bob Prichard, evangelist, Elba Church of Christ, P.O. Box 269, Elba, AL 36323. Listen to "Moments for the Master" weekdays at 6:30 a.m., 12:27 p.m. and 3:57 p.m. on WELB-AM 1350. Visit with us Sunday at the Elba Church of Christ. Pd. Adv.

OCTOBER 23, 1947
E.G. Gwin, local Federated manager for the past six months, has accepted a position as merchandise manager for Bedco Dry Goods Co., Inc., with home offices in Thomasville, Ala.

GETTING IT GOING

That is oftentimes a difficult thing to do: you have a thought that you believe is worth at least a million dollars, but "getting it going" is another matter.
Four things will help you:
First, fix clearly in your mind exactly what it is you wish to bring about. It has been stated that the world turns aside and gets out of the way of the man who knows where he is going.
Putting it another way - failing to plan is planning to fail.
Secondly - begin! It is good to remind ourselves of the story Charles Allen shares in relation to how the devil wanted to destroy the world. "He called his chief assistants. First came Anger who said, 'Let me go and destroy man. I will set brother against brother. I will get men angry with each other and they will destroy themselves.'
Next spoke Lust: 'I will defile men's minds. I will make love disappear and men will be turned into beasts.'
Then Greed said, 'Allow me to go and I will instill in men's hearts the most destructive of all passions. Man's own uncontrolled desires will destroy him.'
The twins, Gluttony and Drunkenness, came and told how they could make men's bodies

John Kendrick, formerly of Elba, now ACL agent in Laverne, is suffering from an attack of pneumonia. He is being treated in a Laverne hospital.
Gov. Folsom last week signed into law legislation raising the basic minimum working age in Alabama from 14 to 16 years.
Miss Josephine Daniels entertained a number of her friends at a delightful party Friday evening in the home of her sister, Mrs. Fred Moore. Guests included Peggy Pope, Hilton Brooks, Wendell Newman, Eleanor Newman, Loyd Daniels, Melvin White, I.J. White, Horace Batson, Roy Parrish, Lamar Daniels and Nell Hornsby.

BIRTH

ELIZABETH RAE WALKER
Mr. and Mrs. Tom Walker announce the birth of a daughter, Elizabeth Rae, on Oct. 12, 1987, at Baptist Medical Center in Montgomery.
She weighed 9 lbs. 4 1/2 ozs. and was 22 inches in length.
Grandparents are Mr. and Mrs. Carol Marler of Elba; Mr. and Mrs. Thomas Walker of Kentucky; and Mr. and Mrs. Ray Romines of Washington.

PASTOR'S CORNER

"Why, I never thought of that." It is simply amazing what you can do if you will keep believing and keep trying.
Fourth, rely on a power greater than yourself. My parents' home, you might say, is on the banks of the Coosa River in Wetumpka. I have seen the Coosa flowing at its peak; I have watched the giant dynamos as they brought power out of the universe that would run factories and

light up cities.
And remember that the God who created electricity did not forget to create a power for man that would pull him over the steep hills of life. When, with humility of spirit, we go into partnership with God, a new and thrilling power comes surging in. Remember, "I can do all things through Christ which strengtheneth me" (Phil. 4:13).

The devil was aghast at such talk. But the assistant continued, "However, I shall tell him there is no hurry, he can do all those things tomorrow. I shall advise him to wait until conditions become more favorable before he can do it."
The devil replied, "You are the one who shall go on earth to destroy man." It was procrastination - just put it off a while longer."
Get started NOW spelled backwards is WON.
Third, believe you are going to succeed. One of the most dramatic sports events of all time was when Babe Ruth pointed to the fence in a World Series game in Chicago and then drove the ball over it for a home run.
After the game a reporter said to Ruth, "Suppose you had missed that final strike? A look of surprise came over Babe's face and he said,

Sports

Views From The Pressbox By, Ricky Mularz

If you're not a football fan you sure missed a lot of fun last week! On Thursday night Elba Junior High clobbered Enterprise Junior to remain undefeated, while Friday night Elba High claimed its seventh straight win with an exciting come-from-behind win over Charles Henderson, and then Saturday Auburn scored two touchdowns in the final minute of the game to dump Georgia Tech and Saturday night Alabama stunned Tennessee (and a lot of Alabama fans) by routing the 8th-ranked Vols. Yep, no matter who you yelled for it was quite a week!

ELBA TIGERS CONTINUE DOMINANCE OVER CHARLES HENDERSON

When the Elba Tigers defeated Charles Henderson Friday night in Elba it marked the eighth time in the past seven years the Tigers had defeated their rivals from Troy, and the eleventh time in the past eleven years. It's no big deal when a team dominates a weak sister; however, when a team can win consistently over a team with the tradition of Charles Henderson it's quite a feat. I'm not sure how well the Tigers did before the current winning streak, but I do know that the winning streak began when Coach Mack Wood arrived, and that Coach Wood deserves a great deal of the credit!

There weren't many people on either side of the stadium Friday night and they missed a mighty good game as the Tigers rallied late in the half and took control in the second half to claim a hard-fought win over the talented Trojans. The Tigers couldn't do anything right early in the game, and for a while it looked like Charles Henderson would post an easy win; however, the Tigers woke up late in the second quarter and once they gained the momentum, it was all over for the visitors from Troy. After a couple of lopsided wins I feared Elba might be primed for an upset and wondered if they could regain the intensity needed to play against a physically powerful squad. Not only did the Tigers rise to the challenge, they also proved they could come from behind against a good team and pull out the win. Elba answered a lot of questions against Charles Henderson and gave just the answers I'd hoped for.

The Elba offense struggled at times in last week's win, but controlled the line of scrimmage against a bigger team, and ground out almost 250 yards rushing. Robert Wilson was again the spark plug of the running game, but quarterback Jason Johnson also had a couple of big runs, and Leon Coleman and Anthony Brooks both ran hard. The line was at a big disadvantage, but showed it could get the job done and gave a winning effort. The passing game misfired more than once and it seemed like for a while the passes were either overthrown or dropped, but the receivers came through when they had to and maybe the passing attack will improve now that the players know it will work. The Elba defense gave up ground early in the game and appeared unable to stop the option play in the first half; however, the defense took command in the second half and once again turned in a winning performance. The defense gave the Tigers the spark they needed with the safety late in the second quarter, and in the second half all but shut down the explosive Trojan attack. Linebacker Larry Dixon came up with some big plays and had his best outing of the season, while the entire front wall played well and dominated the middle. The Elba defense responded to the Charles Henderson challenge and all had another outstanding game.

Summing up the win, Elba showed a lot of class and pride by coming from behind to post the win, and I think the win might be just what the doctor ordered to give the Tigers the confidence they need going into the two tough road games ahead.

ZION CHAPEL POSTS IMPORTANT COUNTY WIN

The Zion Chapel Rebels have been called young and inexperienced throughout the season; however, after seven games there are no inexperienced players and the Rebels displayed a preview of things to come Friday night by upsetting the Kinston Bulldogs. New Brockton also posted a win to round out the county action, and here is a look behind the scenes at just what happened last week.

Zion Chapel grabbed the headlines with its 20-0 romp past Kinston and it looks like the Rebels have finally grown up. The Rebels started the season with only a handful of proven players, and at times there were murmurs concerning the coaches, but last week everybody showed what the Rebels can do and you know the Rebels are looking forward to the rest of the season.

New Brockton was on a course to score about 150 points Friday night when it moved ahead 42-0 with over 11 minutes left in the second quarter against winless Coffee Springs, but Coach Leavy Boutwell called off the dogs and settled for a 49-0 win. The game's schedule isn't helping them get ready for the tough playoff games yet to come, however, I remember just a few years ago when Coffee Springs poured it on New Brockton, so maybe it's

not the schedule . . . it's the Gamecocks! **Kinston** continued its "Jekyll and Hyde" Friday night in the loss to Zion Chapel, and with only two games left I can't figure out which team will play on any given night! When the Bulldogs play with intensity and pride, they win; but when they just show up - they get ripped. Maybe the Bulldogs are ready for basketball season.

CATCHING UP WITH FOOTBALL AROUND THE SOUTH

I haven't had room in a couple of weeks to post the results of all the area games, and I know that all the Elba folks now living out of town wonder just how everybody's doing. Okay, this one's for you . . . **Enterprise** lost to Oriskany for the first time in 13 years last week and now has a 3-4 record, 0-2 in the area. The Wildcats were expected to challenge for a state title early in the year, and all you heard was how big the Enterprise players were, while now all you hear is how the Wildcats just don't have the talent it had in years past. I don't know what's wrong and I don't think anybody else does either.

Opp finally got in the win column against Florala and the Bobcats are now 1-7 for the season. Opp was also supposed to be a big winner this year, because of its "big" players, so maybe everyone should quit worrying about how big the guys are and just look at the size of their heart. **Ozark's** win over Enterprise upped the Eagles' record to 7-1 and it looks like another trip to the playoffs for Coach Paul Terry's troops. The Eagles opened the season against much smaller teams like Elba, Andalusia, Troy and Chavala to get all tuned up for the stretch run and it looks like the plan worked to perfection. It will be interesting to see if those teams keep the Eagles on their schedules next season, or make them sharpen their teeth on someone else.

Greenville is still nowhere near the power it was a couple of years ago, but last week the Tigers blanked Andalusia to move atop the area standings and now appear ready to move back in the playoff picture. Greenville could be ready to return to the ranks of the playoff contenders.

Laverne and **Pike County** have come to life following their losses to Elba and both are making big noises! Laverne gave Coach Glen Daniel a win last week that made him the state's all-time winningest coach and then turned around and stunned Daleville; while Pike County is scoring points in bunches and appears to be a solid contender in 4A.

LOOKING FOR A COACH? DON'T LOOK FAR!!!

There are a lot of good coaches around the state; however, as far as I'm concerned Coffee County has two as good as any in Elba's Coach Mack Wood and New Brockton's Leavy Boutwell.

Coach Wood came to Elba and inherited a team that had struggled to a couple of losing seasons, but at the Tiger helm Coach Wood has led the Tigers to 38 wins in the last four years, and since arriving has led Elba to a record of 86 wins and 33 losses, while taking the Tigers to four straight playoff appearances. Coach Mack Wood is the dean of coaches in south Alabama!

Coach Leavy Boutwell took the reins at New Brockton when the school had given thought to giving up football, and after never having posted a winning season at a school rich in basketball tradition, All Coach Boutwell has done is lead the Gamecocks to a 70-22 record in 8½ years, and in the past three seasons the Gamecocks have rolled up a record of 28 wins and only 4 losses. Tell me there aren't many good young coaches around and I'll point you to Coach Boutwell.

VOLUNTEERS ARE THE KEY TO LITTLE LEAGUE FOOTBALL

I didn't attend a single Little League football game this season and I don't really have any excuses except I like to rest on the weekends. While that excuse might get me by, it certainly isn't true of many volunteers who keep the league going strong in Elba. Recreation board members Lamar Kelley

and Betty Sauls do just about 100 percent of the paperwork and preseason work needed to keep the league going, and neither has kids involved - they are just dedicated to the league and are willing to give up their weekends to make the league a success! Another group of people who devote a great deal of time are the coaches. This bunch of men practice after getting off work and burn their own gas taking the kids to out-of-town games, while doing something that often earns more criticism than thanks. I know many other people give their time, such as the cheerleader sponsors and parents, and I'll probably get some complaints for leaving people out, but I just felt these people deserve some credit and I think what they do is well above and beyond the call!

YE OLE POLISH PROGNOSTICATOR HEADS INTO THE HOME STRETCH

Ye ole Polish Prognosticator had another good week hitting on 24 out of 30 picks, and with only two weeks left until the playoffs, time is running out for me to have that perfect week all pickers dream of. Oh well, here we go again . . .

ELBA VS. ANDALUSIA

The Tigers will put a seven-game winning streak on the line when they hit the road for the first time in five weeks and the streak will definitely be challenged by the much-improved Bulldogs. Andalusia has a new attitude and a new sense of winning after struggling for a couple of years; however, Elba is on a roll and won't get derailed here!

Elba 20 - Andalusia 13

NEW BROCKTON VS. HIGHLAND HOME

This one is an area game and you can bet the Gamecocks will have their feathers furred! New Brockton could be surprised if it expects Highland Home to simply roll over and play dead, but the Gamecocks haven't come this far to blow it now and should claim Win #9.

New Brockton 28 - Highland Home 0

KINSTON VS. ARITON

Ariton has been on a roll lately and has already wrapped up a playoff berth, while Kinston has been struggling. On paper this one looks easy to pick, but I've got a feeling the real Bulldogs will show up this week and upset the high-flying Cats!

Kinston 20 - Ariton 18

ZION CHAPEL VS. GOSHEN

The Rebels took a giant step in the right direction last week with their big win over Kinston and could be ready to take to the world. Goshen has won only once this season and appears to be headed for a disaster, which makes all indicators point to a Kinston win. I'll agree, but I've got a bad feeling about this one.

Zion Chapel 12 - Goshen 8

Elba Junior Tigers Clobber Enterprise 27-0

The Elba Junior High Tigers upped their record to 6-0 Thursday night when they traveled to Enterprise and blasted Enterprise Junior High Wildcats 27-0, in Bates Memorial Stadium.

The Tigers received the opening kickoff and needed only 3 plays to drive 68 yards and take the lead for good! An 11-yard scamper by Marcus Tyson gave the Tigers a quick first down and the touchdown came when John Jacobs tossed a

pass to Curry Jones and the lanky tight end rambled 55 yards for a touchdown.

Ronald McKinnon ran in the two-point conversion, and with 5:42 left in the opening stanza Elba led 8-0.

The Enterprise offense lost a total of 2 yards on its initial possession and was forced to punt, and the Tigers took advantage of a high punt to put pressure on the Wildcat punter and the result was a 12-yard loss that turned the ball over to Elba at the Wildcat 9-yard line.

A penalty against Elba moved the ball back to the 14-yard line, but it made no difference as on the first play Marcus Tyson got the call and raced untouched into the endzone for another Tiger score!

A two-point pass fell incomplete, but with 3:14 still left in the first quarter the Tigers owned a 13-0 lead.

The Elba offense put the ball in play at the Tiger 16-yard line at the start of the second quarter and kept the ball for over six minutes, only to come away with no points.

Tigers drove 37 yards in 14 plays and ate up 6:17 of the clock, but went to the air as the quarter began to wind down and misfired on two straight passes and had to punt.

Enterprise had thoughts of a late score and moved out to its 43-yard line in only two plays, and then called a time-out to set up a final play. The play was a screen pass, but the play backfired as Elba's Marvin Luckett stepped in front of the Wildcat receiver and trotted untouched 38 yards for a touchdown!

Ronnie Joe Edwards added the extra point and at the half the Tigers went in with a 21-0 lead.

Elba put the ball in play at its 34-yard line following an Enterprise punt early in the third quarter and drove 66 yards in 13 plays to score its final points of the night. The drive came entirely on the ground and was sparked by the running of Ronald McKinnon with 30 yards in only 3 carries.

Marcus Tyson added 15 yards during the march and David Rowe gained 25 yards and got the touchdown on a 3-yard dive.

The extra point sailed wide, but with 2:27 left in the third quarter the Tigers led 27-0 and it was time for the reserves to get in the action! Enterprise drove to the Elba 33-yard line on the ensuing possession and appeared ready to get on the scoreboard, but the defense rose to the challenge and when Shane Bragg sacked the Wildcat quarterback for a big loss the threat was over and the Tigers had the shutout 27-0.

Marcus Tyson gained 51 yards on 9 carries to lead the Elba ground

attack, while Ronald McKinnon added 30 yards on 6 carries and David Rowe gained 28 yards on 9 carries.

A total of 24 Tigers got in on tackles, and leading the defensive effort were Curry Jones with 5 tackles, Ronald McKinnon with 4 tackles and Ronnie Joe Edwards, Gary Ware, Bennie Wilkerson and Shane Bragg, all with 3 stops.

FOOTBALL SWEETHEART NAMED . . . Melanie Moore was named the 1987 Elba Tiger Football Sweetheart during halftime ceremonies Friday night. The varsity football team voted on the honor and Dr. Billy Farris, president of the Elba Athletic Club, made the presentation.

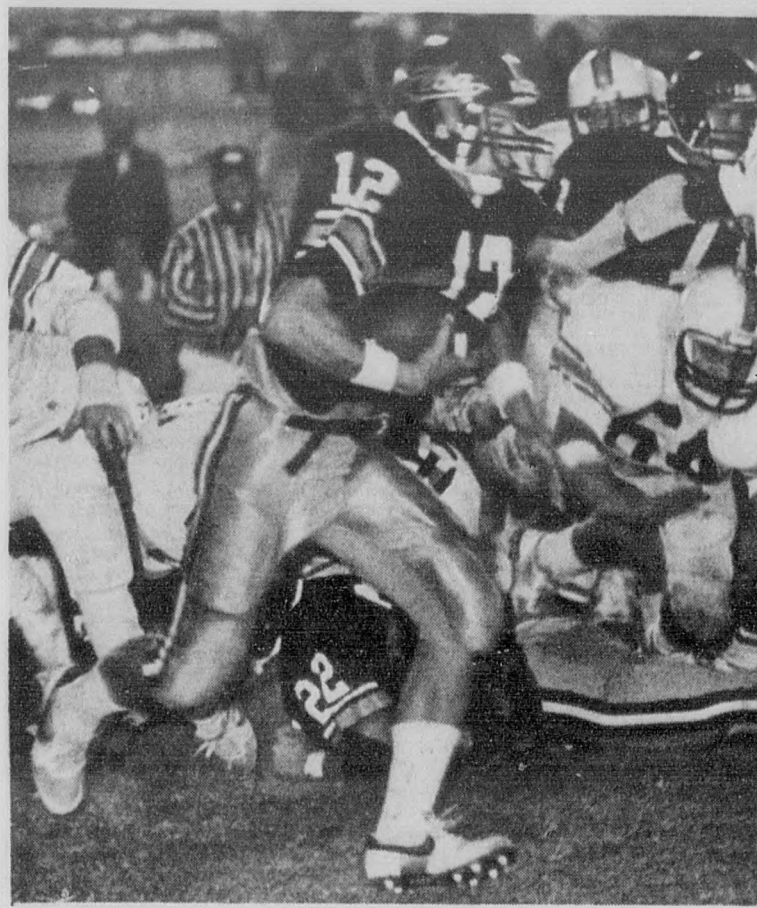

Don't Forget...The Elba Athletic Club Meets Tuesday Night At 7:00!!!!

Elba Tigers Rally To Trip Troy 17-7

The Elba Tigers scored 10 points in less than a minute late in the first half to erase a 7-0 deficit, and then took command in the second half to post an impressive 17-7 win over the

Charles Henderson High Trojans of Troy.

The win was Elba's seventh straight and upped the Tigers' record to 7-1, while the loss was the

Elba quarterback Jason Johnson (12) heads outside for a big gain on a touchdown drive during last week's 17-7 win over Charles Henderson.

Elba linebacker Jason Hodge (90) grabs Troy quarterback David Long (14) in the endzone during second quarter action. Long was penalized for intentional grounding on the play and Elba was awarded two points to spark a late rally.

Elba Hits Road For Friday Night Clash With Andalusia

The Elba Tigers will hit the road for the first time in five weeks Friday night when they travel to Andalusia to battle the Andalusia Bulldogs, and Elba's Coach Mack Wood reports that the Bulldogs of Coach Mike Williams will pose a big threat to the Tigers.

"Andalusia has a very big and strong football team," stated Coach Wood, "and they have become an aggressive team under the leadership of Coach Williams. They have big linemen and big running backs and their game is physical football!"

"On offense they run out of the

line and use a lot of sets. They'll run straight at you until you can prove you can stop 'em, but they'll also put the ball in the air and they'll have good quarterbacks and very good receivers with the speed to go deep.

Andalusia can pass, but their power game is the heart of the attack and that's what they do best.

"On defense," stated Wood, "they'll line up in an odd front and put eight men right up at the line of scrimmage. They are very aggressive

ive on defense and also have real big linemen who are hard to block. The defense is sound in all areas and really goes after the ball.

"If we're to have a chance of winning," said Coach Wood, "we'll have to pick up their defensive fronts and be sound blocking. We'll also have to mix up our play selection and stay away from mistakes."

"On defense we'll have to stop their power game first and at the same time be alert for their deep passing attack. The defense will have to line up and be just as physical as Andalusia."

"Andalusia always has outstanding athletes and this year is no different," added Wood, "and it's a big game for both teams. We're looking for a very tough, hard-fought game and we all know Andalusia will be ready."

When asked about last week's 17-7 win over Charles Henderson, Coach Wood stated, "It was a good team effort all the way and a big win for us. Our offensive line had a better game in the second half than they did early and the reason was that the line was quicker off the ball and more aggressive."

"The total offense didn't move the ball as well as we'd hoped and we weren't able to get outside like we wanted, but we adjusted at the half and did much better in the second half. We knew Troy would run at us and gain some yardage and we were pleased about the way the defense battled throughout the game."

"Troy caused us a few problems in the first half with its unbalanced line, but we adjusted at the half and did much better in the second half. We knew Troy would run at us and gain some yardage and we were pleased about the way the defense battled throughout the game."

"Troy caused us a few problems in the first half with its unbalanced line, but we adjusted at the half and did much better in the second half. We knew Troy would run at us and gain some yardage and we were pleased about the way the defense battled throughout the game."

"Troy caused us a few problems in the first half with its unbalanced line, but we adjusted at the half and did much better in the second half. We knew Troy would run at us and gain some yardage and we were pleased about the way the defense battled throughout the game."

sixth straight for Charles Henderson and left the Trojans with a 2-6 slate.

The first quarter was a game of field position as the Trojans began drives at their 34- and 42-yard lines, while Elba's offense found itself at its own 20- and 14-yard line. Despite the difference in field position it was the Trojans who put together the first drive of the night as Elba marched 46 yards behind the running of senior tailback Robert Wilson. Wilson got the Trojans out of the hole with a 37-yard scamper and later added a 10-yard run that gave the Trojans a first down at the Trojan 41-yard line; however, Elba was slowed by a penalty and came away with no points as Chris Fleming came in to punt.

Charles Henderson put the ball in play at the 10-yard line following the Elba punt and two plays later faced a third-down-and-10, but the Trojans suddenly came to life and drove 90 yards to score the first points of the night.

A 14-yard pass from David Long to Bubba Richburg and a 34-yard pass from Long to Kenny Jackson got the Trojans into Tiger territory and the touchdown came when Tommy Lockett took a pitchout and ran in from 16 yards out late in the

Kenny Jackson added the extra point, and with 10:40 left in the second quarter Charles Henderson had a 7-0 lead.

The defenses ruled the contest for much of the second quarter and Charles Henderson appeared to be in complete command until late in the half when Chris Fleming nailed a 59-yard punt that was downed at the Trojan 6-yard line. The punt seemed to fire up the Tiger defense, and on third down the defense got on the scoreboard when Jason Hodge sacked Trojan quarterback David Long in the end zone for a safety to pull the Trojans within 7-2 with 1:41 left in the second quarter.

The Trojans got the ball right back on the ensuing kick and the offense stunned Charles Henderson by marching 53 yards in only 6 plays to grab the lead. An 8-yard pass from Jason Johnson to Matt Henderson got the drive off to a quick start, while an 8-yard gain by Johnson on a scramble on third down kept the drive alive.

A 25-yard toss from Johnson to Henderson moved the ball to the Trojan 12-yard line, and on the next play Robert Wilson took the pitch, broke a tackle at the six and spun into the endzone for a touchdown. Wilson also scored the two-point conversion and with :49 still left in the quarter the Trojans had exploded and grabbed a 10-7 advantage.

Elba received the second-half kick and picked up where it had left off as it marched 80 yards in 11 plays to stretch its lead to 17-7. A 10-yard pass from Jason Johnson to Brian Free and a 20-yard scamper by Johnson on an option got the drive off to a fast start, and when Charles Henderson was hit with a 15-yard penalty for a late hit on Johnson's run, the Trojans found themselves with a first-and-10 at the Trojan 29-yard line.

Robert Wilson gained 12 yards on 3 carries to move the Trojans within the shadows of the goal post and after the combination of Jason Johnson to Matt Henderson clicked for a 12-yard gain to the Trojan 5-yard line it was Wilson who got the

touchdown on a 5-yard run up the middle.

Chris Fleming added the extra point and with 7:19 left in the third quarter the Trojans owned a 17-7 lead.

Charles Henderson staged a drive late in the third quarter and moved to a first down at the Elba 24-yard line behind the running of Steve Darby, but the drive bogged down and on fourth down the drive died as Elba's Keith Rodgers and Jackie Stoudemire sacked the Trojan quarterback for a 10-yard loss!

Elba appeared ready to put the win on ice following the big defensive stand and marched to a first down at the Trojan 10-yard line behind the running of Anthony Brooks and Robert Wilson, and the passing of Johnson to Henderson; however, Johnson fumbled after a big hit at the Trojan 10 and the game clinching score went by the board.

A circus catch of a tipped pass by the Trojans' Kenny Jackson gave the Charles Henderson fans hopes of a comeback, but the Tiger defense stiffened at midfield and Larry Dixon intercepted a pass at the Elba 43-yard line and the Trojans ran out the clock to post the 17-7 win.

Robert Wilson gained 167 yards on 24 carries to pace the Tiger ground attack, while Leon Coleman added 34 yards on 7 carries and Jason Johnson gained 28 yards on 6 carries.

Matt Henderson led the Elba receivers with a total of 4 catches for 55 yards.

Larry Dixon made 9 tackles, 1 assist to spark the Elba defense, while Jason Hodge made 10 tackles and Bobby Bowden added 8 stops.

Other defensive standouts included Kelvin Caldwell with 6 tackles and Gappa Wise and Keith Rodgers with 5 apiece.

Charles Henderson was paced offensively by the play of Steve Darby with 61 yards rushing on 14 carries and Kenny Jackson with 2 catches for 82 yards.

New Brockton Routs Coffee Springs 49-0

By: Greg Brunson

The New Brockton Gamecocks used 8 turnovers, 5 interceptions and 3 fumble recoveries this past Friday night to breeze past the Coffee Springs Golden Bears by a score of 49-0.

This ran the Gamecocks' winning streak to 8 games as they just keep rolling along.

New Brockton scored 6 touchdowns in the first 12:38 of the game, and that did it for the starters as the younger players gained some valuable experience in the final three quarters.

A short punt on Coffee Springs' first possession gave New Brockton excellent field position at the Golden Bears' 44-yard line. Louis Page took the handoff on first down and covered that 44 yards for the game's first points.

Toby Lee added the extra point for a 7-0 New Brockton lead with 9:23 to go in the first quarter.

The Golden Bears tried a little trickery on the ensuing kickoff only to have a 70-yard return called back because of an illegal forward pass. This possession ended on an interception by Louis Page who returned it 32 yards to the Coffee Springs' 41-yard line.

It took Qn Burrows two plays to get into the endzone with the touchdown coming on a 6-yard jaunt off right tackle. The p.a.t. was blocked, leaving the score 13-0 with 6:31 remaining in the first.

Robert Kilow claimed the next interception and returned it 20 yards to the Coffee Springs 32-yard line. Three rushes by Page set up a first-and-goal at the 8-yard line where Robert Kilow took over and scored on the next play.

Donnie Smith ran for the two-point conversion, giving the Gamecocks a 21-0 lead with 2:39 left in the first quarter.

On their next possession, New Brockton covered 69 yards on only two plays as the touchdown came on a 49-yard pass from Donnie Smith to a wide-open Toby Lee.

Lee's kick failed, leaving the score at 27-0 with 0:40 still to play in the first quarter.

Bo Pittman, playing his first game after coming back from a leg injury, intercepted a Billy Webb pass on the next series and raced 26 yards into the endzone on the first play of the second quarter. Lee added the p.a.t. and the Gamecocks' lead stood at 34-0 with 11:52 to play until the half.

Some more trickery by Coffee Springs backfired on the kickoff as a fumbled lateral was recovered by Shawn Wilkins for New Brockton inside the one-yard line. Tim Marler cracked in on the next play for the

sixth New Brockton touchdown of the night.

Smith passed to Kilow for the two-point conversion, making the score 42-0 with 11:22 left in the second.

Coach Boutwell used this opportunity to get all his younger players into the game as the starters played only two more snaps in the game, both on punts.

The next three possessions ended in turnovers as Greg Sowell claimed a fumble recovery for New Brockton, Brian Massey claimed one for Coffee Springs and Matt Rodgers intercepted a pass for the Golden Bears.

The Gamecocks put together one more scoring drive that took 7 plays and covered 36 yards. Matt Rodgers got the touchdown on a rollout from the one with 3:56 to play in the game.

Toby Lee ended the scoring with his extra point, making the final score 49-0.

The Gamecocks used 9 different ball carriers Friday night. Louis Page led the assault with 68 yards on only 4 carries.

Greg Sowell gained 50 yards on 7 tries while Qn Burrows had 41 yards on 20 tries. Fullback Phil Smith

put on a very entertaining show that I enjoyed very much.

As the second half opened, there was more of the same as the two teams exchanged turnovers in the third quarter. Joey Caylor made a fumble recovery for New Brockton while Brian Massey intercepted a pass for the Golden Bears.

The Gamecocks put together one more scoring drive that took 7 plays and covered 36 yards. Matt Rodgers got the touchdown on a rollout from the one with 3:56 to play in the game.

Toby Lee ended the scoring with his extra point, making the final score 49-0.

The Gamecocks used 9 different ball carriers Friday night. Louis Page led the assault with 68 yards on only 4 carries.

Zion Chapel Stuns Kinston Bulldogs 20-0

Donnie Nelson (22) looks for running room in last week's county battle between Kinston and Zion Chapel. Pursuing the Bulldog runner are Zion Chapel's Freddie Culver (20) and Thomas Boswell (24).

By: Ronny Shiver

Kinston made the journey to Jack as Zion Chapel hosted the Bulldogs Friday night in the eighth game of the season.

The first half was mostly a defensive game with the ball staying near midfield and neither team posting any big gains over the other.

The Bulldogs punted 6 times in the first half, while the Rebels punted 4 times and threw 2 interceptions.

At halftime the teams went into the locker room with the score 0-0.

The Kinston Bulldog Band and the Marching Rebels took the field at halftime to get in their final practice before traveling to Opp on Saturday to compete in the Little Big Horn High School Band competition.

The Bulldog Band was the novice class, with the Rebels taking a superior performance rating and best in class award. Congratulations to both bands.

The second half began much as the first half ended, but on a 3rd-down play with 4:31 left in the third quarter, Zion Chapel's Thomas Boswell took a handoff and broke through the left side of the line to scamper 48 yards of the end zone for a Rebel TD!

The extra point sailed through and the Rebels took the lead 7-0.

The third quarter ended with Zion Chapel in possession of the ball, and on the first play of the fourth quarter Boswell again took it in from 10 yards out for another Rebel TD. Again the extra kick hit and with 11:56 left in the game Zion Chapel pushed its lead to 14-0!

Emotions began to run high in the fourth quarter resulting in over 130 yards of penalties in the last 10 minutes of the game. The Rebels scored one more time with 1:09 left in the game, but between the touchdown and the extra point attempt a total of 5 penalties were levied by the officials, with 4 of these being for unsportsmanlike conduct, and resulting in 4 players being ejected from the game - one for the Rebels and three for Kinston.

On resumption of play the Rebels failed on a 2-point conversion try and the score remained 20-0.

A couple more plays were run in the fourth quarter, with conduct penalty flags still flying, and finally the clock was allowed to run out, and the Rebels taking their 3rd win of the season.

Brantley Drops Homecoming Tilt To Highland Home

By: Billy Wayne Williams

The Brantley Bulldogs staged a gallant fourth quarter rally Friday night for a big homecoming crowd, but it was a case of too little too late for the Bulldogs as the Highland Home Flying Squadron held on to trip the Bulldogs 20-14.

The loss dropped Brantley's record to 1-6, while Highland Home improved its slate to 3-4 with the win.

Neither team could mount an offensive threat in the first quarter as the defenses and a rash of turnovers by both teams kept the scoreboard blank. The Flying

on the scoreboard first late in the second quarter as the visitors marched 61 yards in 10 plays to reach paydirt!

Tim Bryant was the workhorse of the drive for Highland Home as the speedy halfback gained 42 yards on five carries, while Gerald Boyd got the touchdown on a 5-yard scamper.

Brantley's Andy Kimbro blocked the extra point, but with only :34 left in the half Highland Home was on the board and leading 6-0.

The Bulldogs received the second half kick and stunned the Squadron by driving 58 yards to grab the lead! Ken Benton and Anthony Eiland carried the load for the Bulldogs during the march and it was Eiland, a senior fullback, who got the touchdown on a 15-yard ramble.

Wesley Person passed to Laron Tillis for the two-point conversion and with 7:44 left in the third quarter the Bulldogs had grabbed an 8-6 advantage!

Highland Home failed to move against the fired-up Brantley defense on its first possession of the half, but got the ball at its own 29-yard line following a Bulldog punt late in the stanza and wasted no time in regaining command as on a second down Tim Bryant got the call and raced 71 yards for a Flying Squadron

score.

A two-point try was successful and all of a sudden Highland Home had regained the lead 14-8 with 3:05 left in the third quarter.

The Flying Squadron was ready to take off on its next possession and threatened to blow the game open as it marched downfield for another touchdown. Tim Bryant and Gerald Boyd had big gains in the march and it was Bryant who got the touchdown on a 7-yard scamper!

A two-point pass fell incomplete, but with 5:26 left in the game the Squadron appeared in command with a 20-8 lead.

Brantley failed to move on the ensuing possession, but got the ball back when the Bulldogs intercepted

a Squadron pass and marched 31 yards in 8 plays to keep its victory hopes alive!

Wesley Person hit two passes for a total of 14 yards to spark the scoring drive and the lanky

sophomore quarterback also scored the touchdown on a 13-yard sneak. A two-point try failed, but with :54 left on the clock the Bulldogs were within striking distance, trailing 20-14.

Brantley attempted an onside kick on the ensuing kick in an attempt to pull out the win, but the try didn't work and Highland Home ran out the clock and claimed the win 20-14.

Brantley failed to move on the ensuing possession, but got the ball back when the Bulldogs intercepted

'Round And About With Eria

897-2006

***Prase ye the Lord, O give thanks unto the Lord; for he is good; for his mercy endureth forever.

Who can utter the mighty acts of the Lord? Who can show forth all his praise? Blessed are they that keep judgment, and he that doeth righteousness at all times. Remember me, O Lord, with the favor that thou bearest unto thy people; O visit me with thy salvation.

That I may see the good of thy chosen, that I may rejoice in the gladness of thy nation, that I may glory with thine inheritance.

We have sinned with our fathers. We have committed iniquity, we have done wickedly. Our fathers understood not thy wonders in Egypt; they remembered not the multitude of thy mercies; but provoked him at the sea, even at the Red Sea.

Psalm 101:1-8

***Thinking of you, praying for you: Evelyn Knight, L.L. Wade, Allie Berry, Ella M. Shipman, Ethel Johnson, Tillman Lindsey, family of the late Mr. Addy Fleming.

***The Friendship Gospel Church will observe its 32nd anniversary Sunday, Oct. 25, beginning at 3 p.m., at the Friendship Baptist Church in Enterprise, Rev. N.L. Robinson, pastor.

Theme will be "O sing unto the Lord a new song; sing unto the Lord all the earth." Psalm 96:1.

The devotional will be brought by Dea. W.T. Windsor, welcome by Mrs. Emma J. Brown, occasion - Mr. Nason Wright.

Each choir is asked to sing two selections, and choirs will include Mt. Zion Adult, Poplar Spring, Union Grove, Pleasant Shade Sunshine, Morning Star, Peer River, Triumph Holiness, Friendship Senior, Golden Singers, Voices of Beulah, St. Mary Adult, Greater Springfield Senior, Friendship Robinson, Pleasant Shade Intermediate, Friendship Junior, Pleasant Grove Young Adult.

Special guest choirs will include Rocky Head, Sardis Inspirational and Mulberry Male.

Mrs. Margaret McCarty is president and will offer remarks.

The Gospel Travelers of Dothan will observe their 35th anniversary Sat. night, Oct. 24, beginning at 7:30, at the Bethlehem Baptist Church (near Denard's Crossroads).

Guest group will be the Bible Tones of Dothan.

Mrs. Joyce Jones is emcee.

Happy birthday wishes to: Miss Barbara J. Kelley - Oct. 17; Mrs. Mittle J. Andrews - Oct. 17; Mrs. Nadine Daniels - Oct. 18; Allie Henderson - Oct. 24; Jason Guller - Oct. 22.

"God doesn't have to put His name on a label in the corner of a meadow because nobody else makes meadows."

Cecil Laird

***The greatest natural resource that any country can have is its children.

Danny Kaye

***It was Thursday night, Oct. 15, when the Matron's Dept. of the Salem-Enterprise District Association presented a most inspiring program at Friendship Baptist Church in Enterprise, Rev. N.L. Robinson, pastor.

Rev. Carl McComb, pastor of Pleasant Grove/Pleasant Hill Baptist Churches, was guest speaker.

Rev. McComb's subject was "Just Stand," Scripture Eph. 6:1-18.

Oh, what a meeting! There was preaching, praying, singing, shouting. Matrons from Mulberry District Association as visitors were Sisters Juanita Scott, Vera Williams, Mary Bell, and others.

May God bless each of you as you meet!

FORECLOSURE NOTICE

Default having been made in the term of that certain mortgage executed to The Citizens Bank, Enterprise, Coffee County, Alabama, by John N. Swartz and wife, Alice A. Swartz, which said mortgage was recorded in the Office of the Judge of Probate of Coffee County, Alabama, at Elba, Alabama, in Mortgage Book 75A, Pages 425-426, said default continuing.

Now, therefore, by virtue of the power of sale contained in said mortgage, the undersigned said mortgagee will proceed to sell the following described property, at public outcry, for cash, to the highest bidder, in front of the Courthouse door of said county, in Elba, Alabama, at 11:30 o'clock a.m., on the 5th day of November, 1987, to-wit:

1/2 of the SW 1/4; also two (2) acres in a pasture lying in the NW corner of the South 1/4 of the SE 1/4, all in section 23, Township 6 North, Range 20 East, bordered on North by Dozier Roberts; on the South and West by Tillman Daniels; and the east by J.C. Pope and Bill Pope.

LESS AND EXCEPT: A parcel in the 1/2 of Section 23 of the SW 1/4 of the SE 1/4, then easterly 315 feet, then southerly 435 feet to the point of beginning.

Sale is made for the purpose of paying the mortgage debt and costs and expenses of foreclosure.

THE CITIZENS BANK
ENTERPRISE, ALABAMA
10-15-11P

WHEREAS, James R. Nobles and wife, Ruby Lee Nobles, executed to the First National Bank of Opp (now SouthTrust Bank of Covington County, N.C.) a mortgage upon the real estate hereinafter described to secure a promissory note executed on the same date to First National Bank of Opp, by James R. Nobles and wife Ruby Lee Nobles, said mortgage being recorded in the Office of the Judge of Probate, Coffee County, Alabama, in Mortgage Book 69-A, Page 101.

WHEREAS, default has been made in the payment of indebtedness secured by said mortgage and in the performance of the terms of said mortgage, and said default continuing.

NOW THEREFORE, SouthTrust Bank of Covington County, N.A., as successor in interest of the First National Bank of Opp will sell under and by virtue of the power of sale contained in said mortgage between the legal hours of sale on November 17, 1987, at public auction, to the highest bidder, at the Courthouse door of the Coffee County Courthouse, in the City of Elba, Alabama, the real estate embraced in said mortgage described as follows:

Parcel 1: The Northwest Quarter of Section 21, Township 19 North, Range 19 East, in Coffee County, Alabama, containing 160 acres, more or less, including all improvements thereon.

Parcel 2: An undivided one-half interest in the following property: The Northeast Quarter of the Southeast Quarter, the Southwest Quarter of the Southwest Quarter, the Northwest Quarter of the Northwest Quarter, all lying East of Cripple Creek, all in Section 21, Township 19 North, Range 19 East, in Coffee County, Alabama, including all improvements thereon.

LESS AND EXCEPT, an undivided one-half interest in oil and gas and other minerals, which was heretofore reserved by the Federal Government and is now owned by Joe C. Nobles and Randall Nobles, dated 1 October 1941, recorded in Deed Book 7-A at Page 216.

Said foreclosure sale will be made under the terms contained in said mortgage, and in accordance with the law in cases made and provided for the purpose of paying the indebtedness secured by said mortgage, all unpaid taxes, together with the expense of foreclosure, including a reasonable attorney's fee.

STATE OF ALABAMA COUNTY OF COFFEE

NOTICE OF MORTGAGE FORECLOSURE SALE

WHEREAS, Dewey Wayne Norris and Rita Norris, husband and wife, executed to Jack F. Bollin and Viola M. Bollin, husband and wife, on the 29th day of July, 1983, a Mortgage upon the real estate hereinafter described to secure an indebtedness described therein, said mortgage being recorded in Mortgage Book 74-A at Page 289, in the Office of the Judge of Probate of Coffee County, Alabama, at Elba, Alabama;

WHEREAS, default has been made by the mortgagors in the payment of the indebtedness secured by said mortgage and in the performance of the terms of said mortgage and said default continuing.

NOW, THEREFORE, Jack F. Bollin and Viola M. Bollin, the owners of said Mortgage, will sell, under and by virtue of the power of sale contained in said Mortgage, at public auction, to the highest bidder for cash, in front of the Courthouse door of Coffee County, in the City of Elba, Alabama, the real estate embraced in said Mortgage described as follows:

All that part of the SE 1/4 of SW 1/4 of Section 32, Township 19 North, Range 21 East, lying North-east of the public road as the same is or was located, and all that part of the NE 1/4 of NW 1/4 of Section 5, Township 6 North, Range 21 East, lying Northeast of the public road, as the same is or was located.

A parcel of land lying in and being a part of the SW 1/4 of Section 32, Township 7 North, Range 21 East, being more particularly described as follows: Beginning at the Northeast corner of the SW 1/4 of Section 32, Township 7 North, Range 21 East, and running thence South 86°40' West, along the East line of said road, a distance of 377.5 feet to a parcel of land belonging to Robert Hussey (formerly, Flowering Branch, hence South 01°20' East along the East line of said Hussey land to its point of beginning, a distance of 450 feet, more or less; thence running in a southeasterly direction along the Northeast margin of said public road to its point of intersection with the East line of said Hussey land, being a distance of 660 feet, more or less; and thence running North 01°20' West along the East line of said Hussey land to the Northeast corner of said road, the point of beginning, being a distance of 760 feet, more or less.

LESS AND EXCEPT THE FOLLOWING PARCELS OF LAND:

Excepted Parcel No. 1: 30.0 acres, more or less, lying in the SW 1/4 and the SE 1/4 of the SW 1/4, Section 32, Township 7 North, Range 21 East, Coffee County, Alabama, being more particularly described as follows: Beginning at the Northeast corner of the SW 1/4 of Section 32, Township 7 North, Range 21 East, and running thence South 86°40' West, along the East line of said road, a distance of 377.5 feet to a parcel of land belonging to Robert Hussey (formerly, Flowering Branch, hence South 01°20' East along the East line of said Hussey land to its point of beginning, a distance of 450 feet, more or less; thence running in a southeasterly direction along the Northeast margin of said public road to its point of intersection with the East line of said Hussey land, being a distance of 660 feet, more or less; and thence running North 01°20' West along the East line of said Hussey land to the Northeast corner of said road, the point of beginning, being a distance of 760 feet, more or less.

Excepted Parcel No. 2: A lot or parcel of land located in Coffee County, Alabama, and being more particularly described as follows: Beginning at the Northeast corner of the NW 1/4 of Section 5, Township 6 North, Range 21 East, and running thence South 86°40' West, along the East line of said road, a distance of 377.5 feet to a parcel of land belonging to Robert Hussey (formerly, Flowering Branch, hence South 01°20' East along the East line of said Hussey land to its point of beginning, a distance of 450 feet, more or less; thence running in a southeasterly direction along the Northeast margin of said public road to its point of intersection with the East line of said Hussey land, being a distance of 660 feet, more or less; and thence running North 01°20' West along the East line of said Hussey land to the Northeast corner of said road, the point of beginning, being a distance of 760 feet, more or less.

LESS AND EXCEPT THE FOLLOWING PARCELS OF LAND:

Excepted Parcel No. 1: 30.0 acres, more or less, lying in the SW 1/4 and the SE 1/4 of the SW 1/4, Section 32, Township 7 North, Range 21 East, Coffee County, Alabama, being more particularly described as follows: Beginning at the Northeast corner of the SW 1/4 of Section 32, Township 7 North, Range 21 East, and running thence South 86°40' West, along the East line of said road, a distance of 377.5 feet to a parcel of land belonging to Robert Hussey (formerly, Flowering Branch, hence South 01°20' East along the East line of said Hussey land to its point of beginning, a distance of 450 feet, more or less; thence running in a southeasterly direction along the Northeast margin of said public road to its point of intersection with the East line of said Hussey land, being a distance of 660 feet, more or less; and thence running North 01°20' West along the East line of said Hussey land to the Northeast corner of said road, the point of beginning, being a distance of 760 feet, more or less.

Excepted Parcel No. 2: A lot or parcel of land located in Coffee County, Alabama, and being more particularly described as follows: Beginning at the Northeast corner of the NW 1/4 of Section 5, Township 6 North, Range 21 East, and running thence South 86°40' West, along the East line of said road, a distance of 377.5 feet to a parcel of land belonging to Robert Hussey (formerly, Flowering Branch, hence South 01°20' East along the East line of said Hussey land to its point of beginning, a distance of 450 feet, more or less; thence running in a southeasterly direction along the Northeast margin of said public road to its point of intersection with the East line of said Hussey land, being a distance of 660 feet, more or less; and thence running North 01°20' West along the East line of said Hussey land to the Northeast corner of said road, the point of beginning, being a distance of 760 feet, more or less.

LESS AND EXCEPT THE FOLLOWING PARCELS OF LAND:

Excepted Parcel No. 1: 30.0 acres, more or less, lying in the SW 1/4 and the SE 1/4 of the SW 1/4, Section 32, Township 7 North, Range 21 East, Coffee County, Alabama, being more particularly described as follows: Beginning at the Northeast corner of the SW 1/4 of Section 32, Township 7 North, Range 21 East, and running thence South 86°40' West, along the East line of said road, a distance of 377.5 feet to a parcel of land belonging to Robert Hussey (formerly, Flowering Branch, hence South 01°20' East along the East line of said Hussey land to its point of beginning, a distance of 450 feet, more or less; thence running in a southeasterly direction along the Northeast margin of said public road to its point of intersection with the East line of said Hussey land, being a distance of 660 feet, more or less; and thence running North 01°20' West along the East line of said Hussey land to the Northeast corner of said road, the point of beginning, being a distance of 760 feet, more or less.

Excepted Parcel No. 2: A lot or parcel of land located in Coffee County, Alabama, and being more particularly described as follows: Beginning at the Northeast corner of the NW 1/4 of Section 5, Township 6 North, Range 21 East, and running thence South 86°40' West, along the East line of said road, a distance of 377.5 feet to a parcel of land belonging to Robert Hussey (formerly, Flowering Branch, hence South 01°20' East along the East line of said Hussey land to its point of beginning, a distance of 450 feet, more or less; thence running in a southeasterly direction along the Northeast margin of said public road to its point of intersection with the East line of said Hussey land, being a distance of 660 feet, more or less; and thence running North 01°20' West along the East line of said Hussey land to the Northeast corner of said road, the point of beginning, being a distance of 760 feet, more or less.

LESS AND EXCEPT THE FOLLOWING PARCELS OF LAND:

Excepted Parcel No. 1: 30.0 acres, more or less, lying in the SW 1/4 and the SE 1/4 of the SW 1/4, Section 32, Township 7 North, Range 21 East, Coffee County, Alabama, being more particularly described as follows: Beginning at the Northeast corner of the SW 1/4 of Section 32, Township 7 North, Range 21 East, and running thence South 86°40' West, along the East line of said road, a distance of 377.5 feet to a parcel of land belonging to Robert Hussey (formerly, Flowering Branch, hence South 01°20' East along the East line of said Hussey land to its point of beginning, a distance of 450 feet, more or less; thence running in a southeasterly direction along the Northeast margin of said public road to its point of intersection with the East line of said Hussey land, being a distance of 660 feet, more or less; and thence running North 01°20' West along the East line of said Hussey land to the Northeast corner of said road, the point of beginning, being a distance of 760 feet, more or less.

Excepted Parcel No. 2: A lot or parcel of land located in Coffee County, Alabama, and being more particularly described as follows: Beginning at the Northeast corner of the NW 1/4 of Section 5, Township 6 North, Range 21 East, and running thence South 86°40' West, along the East line of said road, a distance of 377.5 feet to a parcel of land belonging to Robert Hussey (formerly, Flowering Branch, hence South 01°20' East along the East line of said Hussey land to its point of beginning, a distance of 450 feet, more or less; thence running in a southeasterly direction along the Northeast margin of said public road to its point of intersection with the East line of said Hussey land, being a distance of 660 feet, more or less; and thence running North 01°20' West along the East line of said Hussey land to the Northeast corner of said road, the point of beginning, being a distance of 760 feet, more or less.

LESS AND EXCEPT THE FOLLOWING PARCELS OF LAND:

LEGAL NOTICE

In accordance with Chapter 1, Title 39, Code of Alabama, 1975, notice is hereby given that GenCon Associates, Inc., Contractor, has completed the Contract for Reconstruction of Locker Room Roof, Ceiling and Lighting at Elba High School, Elba, Alabama, for the State of Alabama and the City of Elba, Owners, and have made request for final settlement of said Contract. All persons having any claim for labor, materials or otherwise in connection with this project should immediately notify Donnell & Lee, Architects, 112 Petrus St., Dothan, Alabama.

Skinner Completes NCO Course In Hattiesburg

Staff Sgt. Audrey L. Skinner of New Brockton has successfully completed the Advanced Noncommissioned Officer Course for Reserve Components at the University of Southern Mississippi, at Hattiesburg.

Skinner, a member of Detachment 1, 191st Maintenance Company, the United States Army Reserves Unit at Dothan, attended the course for two weeks. He is assigned to the Maintenance Control Section as a power generator instructor.

He also received a certificate of training on Sept. 27 from the 787th Maintenance Battalion in Dothan for successfully completing Maintenance Supervisors' Workshop.

Skinner has been a member of the Army Reserves since March, 1980. He is employed with the Dept. of the Army as a heavy mobile equipment repairer at Knox Field, Ft. Rucker.

He is the son of Dorothy A. Skinner and the late Donald L. Skinner of Elba.

Henderson Arrives
For Duty
In Germany

Army Pvt. Charles A. Henderson, son of Charles and Ollie L.M. Henderson of Rt. 4, Elba, has arrived for duty with the 1st and 2nd Armored Cavalry Regiment, West Germany.

Henderson, a track vehicle mechanic, is a 1985 graduate of Kinston High School.

Jack F. Bollin and Viola M. Bollin, the owners of said Mortgage, will sell, under and by virtue of the power of sale contained in said Mortgage, at public auction, to the highest bidder for cash, in front of the Courthouse door of Coffee County, in the City of Elba, Alabama, the real estate embraced in said Mortgage described as follows:

All that part of the SE 1/4 of SW 1/4 of Section 32, Township 19 North, Range 21 East, lying North-east of the public road as the same is or was located, and all that part of the NE 1/4 of NW 1/4 of Section 5, Township 6 North, Range 21 East, lying Northeast of the public road, as the same is or was located.

A parcel of land lying in and being a part of the SW 1/4 of Section 32, Township 7 North, Range 21 East, being more particularly described as follows: Beginning at the Northeast corner of the SW 1/4 of Section 32, Township 7 North, Range 21 East, and running thence South 86°40' West, along the East line of said road, a distance of 377.5 feet to a parcel of land belonging to Robert Hussey (formerly, Flowering Branch, hence South 01°20' East along the East line of said Hussey land to its point of beginning, a distance of 450 feet, more or less; thence running in a southeasterly direction along the Northeast margin of said public road to its point of intersection with the East line of said Hussey land, being a distance of 660 feet, more or less; and thence running North 01°20' West along the East line of said Hussey land to the Northeast corner of said road, the point of beginning, being a distance of 760 feet, more or less.

LESS AND EXCEPT THE FOLLOWING PARCELS OF LAND:

Excepted Parcel No. 1: 30.0 acres, more or less, lying in the SW 1/4 and the SE 1/4 of

Fred Clark, Elba (Front left) and Robert English of Damascus (Back center) have recently been appointed to 3-year terms as Coffee County Conservation District supervisors. Clark has served in this capacity since 1969 and English since 1973. The district is made up of five farmers in Coffee County, and the other three are: (Left back) Martin Noakes; (Right back) Charles Mallory; (Right front) Marion Sanders, Rocton. (Moates is from Enterprise.) Function of these district supervisors is to provide leadership and support to the local conservation program. They work many hours each year without receiving any pay.

Trick-or-Treaters Urged To Use Safety When Making The Rounds Halloween

The U.S. Consumer Safety Product Commission, The Southeast Child Safety Institute and The Children's Hospital of Alabama have some Halloween safety tips for parents and guardians of children who plan to go trick-or-treating this Halloween:

*Warn children not to eat any of their treats before they get home. Examine all treats carefully for evidence of tampering before allowing children to eat them.

*Look for costumes, masks, beards and wigs labeled "Flame Resistant." Although this does not mean these items won't catch fire, such labeling indicates that they will resist burning and should be extinguished quickly once removed from the ignition source. Flimsy materials and outfits with big, baggy sleeves or billowing skirts should be avoided to minimize the risk of contact with candles or other sources of ignition.

*Make or buy costumes light and bright enough to be clearly visible to motorists. For greater visibility in dusk or darkness, costumes can be decorated or trimmed with reflective tape which will "glow" in the beam of a car's headlights. Bags or sacks should also be light colored or decorated with reflective tape. Reflective tape is usually available in hardware, bicycle, and sporting goods stores. Children should also carry flashlights to see-and to be seen-more easily.

*Costumes should be short enough to prevent children from tripping and falling. Children wear well-fitting, sturdy shoes: Mother's high heels are not a good idea for safe walking.

*Hats and scarfs should be tied securely to prevent them from slipping over children's eyes.

*Apply a natural mask of cosmetics rather than have a child wear a loose fitting mask which might restrict breathing or obscure vision. If a mask is used, however, make sure it fits securely and has eyeholes large enough to allow full vision.

*Swords, knives, and similar costume accessories should be soft and flexible material.

*Smaller children should always be accompanied by an older responsible child or an adult. All children should use the sidewalk rather than walk in the street, and they should walk not run from house to house.

Children should be cautioned against running out from between parked cars, or across lawns and yards where ornaments, furniture, or clotheslines present dangers.

*Children should only go to

homes where residents have outside lights on as a sign of welcome. Children should not enter homes or apartments unless they are accompanied by an adult.

*Those receiving trick-or-treaters should remove anything that could be an obstacle from steps, lawns, and porches. Candelit jack-o'-lanterns should be kept away from curtains, decorations, or other furnishings that could be ignited.

For further information on product safety, consumers may call the U.S. Consumer Product Safety Commission's toll-free hotline on 800-638-CPSC. A teletypewriter number for the hearing impaired is 800-638-8270 (Maryland only, 800-492-8104).

For the poison information, call The Children's Hospital of Alabama Poison Information Center 931-4050 (Birmingham) or 1 (800) 292-6678 (toll-free, statewide).

October Is Cooperative Month

October is being named Cooperative Month, and local cooperatives joining together in the proclamation include Laverne Farmers Cooperative, Pike Farmers Cooperative, Goshen Farmers Cooperative, Gold Kist, Alabama Electric Cooperative and South Alabama Electric Cooperative.

Cooperatives are a type of business that calls for people working in partnership to get things done. More than 60 million Americans receive housing, health, financial, insurance, farm marketing and supply, electric, phone and other services through their cooperatives.

Co-ops call forth a friendly image of desirable roles and relationships - arm-in-arm, hand-in-hand, supporting, boosting and togetherness. They are found in big cities, small towns, rural areas - anywhere people need to get things done efficiently and economically.

Local cooperatives consist of people in partnership in the community - working hard for the individual and the nation.

They need the support of all citizens - and ask that they join with the cooperatives and be a part of the people in partnership efforts.

Patrick Norris and Mark Davis, shown above, are two members of the Elba Rescue Squad who recently completed a six-week training program in scuba diving. At the conclusion of the course both divers received their PADI (Professional Association of Diving Instructors), recognized as the leader in scuba training.

During the course both divers received training involving safe diving procedures as well as emergency diving procedures. This fall the two men will train in further sessions which will involve rescue diving procedures and drowning operations. Instructor for the course was Mr. Rick Spears, Hydrospace Scuba School, in Dothan, one of the foremost scuba schools in the South.

The Elba Clipper

VOLUME 91 THURSDAY, OCTOBER 29, 1987 ELBA, ALABAMA 25 CENTS 1 SECTION 16 PAGES [Plus 2 Adv. Inserts] NUMBER 17

Elba Rescue Squad workers rip out the windshield of a 1980 Buick LTD in an effort to remove the driver from the wrecked vehicle. Witnesses at the Monday, Oct. 26, one-car accident stated that the car, driven by Iris Thomas Tanks, age 68, of Montgomery, was traveling north on Highway 87 and while attempting to pass another vehicle left the roadway and struck a driveway. Mrs. Tanks was taken to the Elba General Hospital with leg injuries and numerous lacerations and later transferred to Montgomery.

Coffee County man arrested after holding wife hostage at knifepoint

The 3-day search for a Coffee County man and his estranged wife came to an end last Wednesday night (Oct. 21), when law enforcement officers found the couple at the man's rural Coffee County home with the man holding a butcher knife to his wife's neck threatening to "cut her head off."

Coffee County Sheriff Brice Paul stated that Mickey Parks had apparently "hid" his wife, Deborah Parks, hostage since Sunday night, Oct. 18, after allegedly taking her from a trailer near the Jack Community. The couple had reportedly been separated for two weeks and Mrs. Parks had apparently moved into the trailer of Randall Lee. Parks reportedly entered the Lee trailer near midnight Sunday night and found his wife and Lee asleep and then allegedly struck Lee with a tire iron.

Sheriff Paul stated his department began their search for Parks and his wife after Lee was taken to a Troy hospital for treatment of head wounds and told authorities what had occurred. Parks' home was searched on Monday and Sheriff Paul stated he felt Parks was hiding his wife in the woods near the house during the search.

Paul reported that he believed Parks hid in a wooded area in Pike County on Sunday night and Monday morning and moved his wife constantly during the next three days.

When law enforcement authorities found the couple Wednesday night Parks was crouching in a corner of a bedroom and holding a knife to his wife's throat. Parks reportedly told the authorities he

"should have killed her while I had the chance," but after approximately 90 minutes of talking the man decided to give up and put the knife down.

Mrs. Parks was reported to be hysterical while being held in the bedroom and fainted after her husband dropped the knife. Mrs. Parks was later transported to an Opp hospital and then transferred to a Troy hospital, where she is reported to have a broken hand along with numerous bruises and lacerations.

Parks, age 30, is being held in the Coffee County Jail under a \$30,000 bond and is being charged with first-degree assault in connection with the beating of Lee. Other charges are pending.

Saturday is night to trick or treat in Elba

Mayor Bob English has proclaimed Saturday, Oct. 31, as time for Trick or Treat in Elba. Hours will be 5 to 7 p.m.

Comm. Bryan opposes purchase

The subject of a new county health department for the City of Enterprise surfaced once again at Monday's meeting of the Coffee County Commission and after a heated debate the commission agreed by a vote of 3-2 to make an offer of \$240,000 for the purchase of an old Masonic Lodge building, located near the Enterprise Recreation Center.

The commission gathered last week at the office of County Attorney Warren Rowe to discuss redistricting plans for the county and methods of identifying voters in each district. I wasn't able to attend the special meeting, but if I had I would have opposed the action.

"I have checked with a contractor and he has told me it would cost approximately \$250,000 to build a building of identical size, added Commissioner Bryan, "and to spend almost the same amount for an older building doesn't make good sense. If

black and white where we will save \$500,000 by buying the building under discussion! I think the commission was out of order to go look at the building when they were supposed to meet to talk about redistricting plans and methods of identifying the voters in each district. I wasn't able to attend the special meeting, but if I had I would have opposed the action.

"The price to buy the building is too high, and when you add renovation expenses and the cost of adding more offices the price tag will be more than double."

"I know it wouldn't be popular with many people," stated Bryan,

"but if the commission really wants to do what's best for all of Coffee County and unite the county, it would build a building at New Brockton which would house the health department, the Human Resources Dept., and the food stamp office. By placing the departments in one central location it would cut back on duplication of services and unneeded travel and give all residents in the county one place to go to handle much of their business.

"If the Human Resources building was vacant, the sheriff's department and the county jail could expand to the location and save the county both time and money.

"The commissioners who have pushed the purchase of the Masonic Lodge say one thing and present a lot of paperwork," declared Bryan, "but in truth there hasn't been any real research put into the total plans and just what the county will spend including renovation.

"I believe the commission should act in the best interest of all of Coffee County and I don't believe this purchase will do that."

The commission voted 3-2, with Sid Averett, Bill Faulk and Damascus Crittenden voting in favor of the purchase, while Bryan and Eagerton opposed the purchase. Commissioner Robert Stephens abstained from voting and reported he hadn't seen enough information on the matter to make a decision, while Commissioner Eugene Bradley wasn't present when the vote was taken.

Arrests made in Damascus School fire investigation

The Coffee County Sheriff's Dept. announced Wednesday afternoon, Oct. 28, that two adults and two juveniles had been apprehended for their involvement with the recent fire that destroyed the old Damascus School.

Sheriff's Dept. investigator Buddy Ammons reported the four local males were apparently riding around the night of the fire and a witness and two of those apprehended stated the quartet was at the school near the time of the blaze.

Charged with arson second degree were Robert Dewayne Bradshaw, age 19, of Elba, and Ronald Joe Sanders, age 18, also of Elba. Petitions have been signed on the two juveniles.

The warrants for arrest were signed by the deputy state fire marshal and the arrests came after investigation by Coffee County Sheriff's Dept., the deputy fire marshal and the Elba Police Dept. Both men arrested are now out on bond.

Lewis Sworn in... Chuck Lewis, the former chairman of the Coffee County Republican Committee, was sworn in on Oct. 15 as chairman of the Coffee County Board of Registrars. Lewis replaced B.F. Garth on the county board and was sworn in by Probate Judge Marion Brunson. Also pictured is Mrs. Helen Lewis.

Federal warrants issued by FBI in local case

Coffee County Sheriff Brice Paul announced last week that a federal warrant had been issued by the Federal Bureau of Investigation for the arrest of James Randall Sanders for in-state flight to avoid prosecution.

Sanders is being sought in connection with his June 27, 1987, escape from a deputy sheriff's vehicle while the suspect was being transported to the sheriff's office for questioning. Sanders allegedly shot at Deputy Jack Herbert from the rear seat of a patrol car and escaped after Herbert surrendered the vehicle.

Sanders is charged with first degree robbery and kidnapping in Coffee County and at the time of his arrest was in possession of a questionable white substance and approximately \$20,000 worth of jewelry.

Sheriff Paul reported Sanders was last seen in Destin, Fla., in July seeking an apartment and urged anyone with any information to call the Coffee County Sheriff's Dept. or any law enforcement agency.

Casaday reports that Farm-City Week celebration will honor important resource

Farm-City Week is designed for Nov. 19-26 in Coffee County, and Tom Casaday says "Our food and fiber system accounts for about one-fifth of the nation's gross national product - some \$582.2 billion in 1983."

Casaday also said that agricultural production is more than twice the level of 1930, even though agricultural resource base has not substantially changed. Today, one hour of farm labor produces 16 times as much food and other crops as it did in the 1919-21 period.

"Last year," he continued, "American consumers ate an average of 152 pounds (retail weight) of beef, veal, pork, lamb and mutton;

67 pounds of chicken and turkey; 81 pounds of fresh fruit (plus 48 pounds of processed fruit and juice); 101 pounds of fresh vegetables (plus 57 pounds of canned and frozen vegetables); 310 pounds of dairy products and 75 pounds of potatoes. The consumer also used an average of 15 pounds of cotton and one pound of wool.

"Enough food and fiber for 80 people, 21 of whom live abroad," Casaday went on. "Only 10 years ago the farm worker was producing enough for 58 people."

Casaday is chairman of the farm-city observance.

Replacement of bridges stirs emotions at commission

The replacement of wooden bridges on dirt roads in the county was a major source of discussion at the meeting of the Coffee County Commission on Monday, Oct. 26, as the commission accepted bids on approximately \$30,000 in bridge materials and made new plans to replace four bridges in the county.

Items purchased to construct new bridges included steel piping, a ton of 60-penny nails, treated timber, precast panels and crushed stone and the county engineer stated the bridges to be replaced would be on the Bird Mill Road in New Brockton was in dangerous condition and needed immediate replacement.

Averett stated the bridge was on an important route for many residents and made it impossible for school buses and mail carriers to travel from one end of the road to the other.

Commissioner Jimmy Bryan voiced immediate opposition to the proposed change in plans and declared that the previous county engineer had inspected the bridges in the county and listed three bridges in District 1 as the worst in the county and added that the current engineer also listed the three bridges as those in need of replacing first.

"Roads have been closed because of the closing of the bridges and I feel that if a road has been closed due to the condition of a bridge that road has to be on top of the priority list," stated Bryan. "I've gone along with changes before and however, this latest change is nothing but politics and I don't think it's right."

County Engineer Mark Pool admitted that the bridge on Bird Mill Road was dangerous, but told the commission he had not included the bridge on his list of bridges to be replaced because the bridge was within the city limits of New Brockton and a recent attorney general's opinion had stated clearly that counties could not legally do work within city limits.

Commissioner Bill Faulk told Pool that "You and the attorney general don't make the rules in Coffee County" and backed Averett's motion that the

commission replace one bridge in District 1 and then move down to Bird Mill Road to replace the bridge in question before returning to two bridges to replace the remaining two bridges.

The motion passed by a vote of 4-2, with Averett, Faulk, Damascus Crittenden and Billy Eagerton voting in favor of the motion, while Jimmy Bryan voted against the motion. Robert Stephens abstained, saying he owned land on the road and felt he shouldn't vote, while Eugene Bradley was absent at the time of the vote.

Monday's bi-monthly meeting began at 9 a.m., and after the routine approval of minutes, spent almost two hours opening bids on numerous items ranging from patrol cars for the sheriff's department to a lowboy trailer for the highway department.

Successful bidders included Ed Sherling Ford, with a bid of \$23,350 for two patrol cars; Windham Lumber Co., with a bid of \$638 for one ton of 60-penny nails; Treated Timber Products, with a bid of \$14,978.22 for timber to build bridges; Joe Money, with a bid of \$21,982 for an asphalt distributor (including a trade-in of a paint-stripper); McGeehe, with a bid of \$19,800 for a heated asphalt tank; Clark Trailers, with a bid of \$17,796 for the purchase of a lowboy trailer; Heath Oil Co., with a bid of \$5,064 for 5,000 gallons of diesel fuel and 3,000 gallons of unleaded fuel, and Montgomery Ag-Spray, with a bid of \$13,470 for a herbicide unit.

Other bids opened were on crushed stone, with the contract being split between Vulcan Materials and Southeast Materials and pre-cast panels, with the contract being delayed until the next meeting.

County Attorney Warren Rowe told the commission that after careful study he had determined the county was at fault for an accident and recommended the payment of a claim filed by one of the owners involved. Rowe explained that a car topped a hill and was forced to swerve to miss county road machinery in the road, causing the car to collide with another vehicle.

There was reported to be no flagmen at the scene and Rowe stated since there were no flagmen the county was liable.

Commissioner Sid Averett reported that since the original priority list agreed upon had been posted, a new need had arisen and told the commission that the bridge on the Bird Mill Road in New Brockton was in dangerous condition and needed immediate replacement.

Averett stated the bridge was on an important route for many residents and made it impossible for school buses and mail carriers to travel from one end of the road to the other.

Commissioner Jimmy Bryan voiced immediate opposition to the proposed change in plans and declared that the previous county engineer had inspected the bridges in the county and listed three bridges in District 1 as the worst in the county and added that the current engineer also listed the three bridges as those in need of replacing first.

"Roads have been closed because of the closing of the bridges and I feel that if a road has been closed due to the condition of a bridge that road has to be on top of the priority list," stated Bryan.
